Four Quad-City Youth To Be Drafted Monday

Four Quad-City youths report Monday to the collective service office at Joliet for a week's work in the Joliet Armory for armed forces training. They are to report at 8:30 a.m.

The Quad-Cities April quotas also include a compulsory physical examination for nine men on April 10. Quotas for May have yet been announced.

George Nowicki, 73, Dies: Ill Seven Years

George Nowicki, 73, of 1600 Fourth street, Madison, died at 11:30 p.m. Monday at an Alton hospital. He had been ill seven years, and hospitalized about 18 months.

Born in Poland, Mr. Nowicki had been an area resident 41 years and was a retired Alton Box Co. guard. He was a member of St. Mary's Catholic Church and belonged to the Polish National Lodge. He and Mrs. Nowicki had been married 50 years last January.

Survivors include his wife, Anna; three sons, Joseph A. Nowicki, Granite City, Henry G. Nowicki and Raymond A. Nowicki, Madison; a daughter, Mrs. Raymond (Angela) Hogue, Granite City; two brothers, Vincent and Stanley Nowicki, both of Kansas City, Mo.; 11 grandchildren and one great-grandchild.

Funeral services were conducted this morning at St. Mary's Catholic Church, with interment in Calvary Cemetery near Edwardsville.

An obituary notice appears elsewhere in this issue.

Talk On "Wills" By Attorney At Rotary

The importance of having a will and some of the common misconceptions about wills was the subject of a talk by Attorney Randall Robertson at the Tuesday luncheon meeting of the Granite City Rotary Club, held at the YMCA.

Part of "law forums" sponsored by the Tri-City Bar Association, the programs are designed to assist audiences in a general way to understand legal pitfalls in making certain their estates obtain maximum tax savings and, at the same time, give the protection and distribution of assets intended by the deceased.

Attorney Robertson answered a number of questions following his talk. He also advised his listeners to review their wills periodically and update them. The program was in charge of Frank Welch.

Liquor Law Violation Conviction Appealed

The conviction of Ann Marie Siniow for violation of the Madison county tavern closing hour regulation is being appealed to the county court. She is free on a \$250 appeal bond after being tried by justice of the Peace Earl Vuagniaux last Saturday.

The sheriff's tavern surveillance squad charged her Feb. 23 on visiting her tavern, the Lakeside Inn, near Granite City. On convicting her, Vuagniaux levied a \$100 fine plus costs. Vuagniaux also has set a hearing date of April 13 for Mrs. Ludie Shastid, licensee of the Irish Inn tavern. She entered a plea of not guilty to a charge of selling liquor to two minors. The complaint was signed by Chief Deputy George Ramach on Feb. 22 after two boys said they purchased liquor at the tavern.

A&P Announces Change In Division Post

H. Wayne Carver, president of the middle western division of the Great Atlantic & Pacific Tea Co., Inc., Chicago, has announced the election of Edward J. Vogel to executive vice-president of the division.

He succeeds Byron Jay, who now is president of the central Western division at Detroit. Mich. Vogel has been vice-president of the Detroit store operations.

Alexander Stanovich, 81, Dies This Morning

Alexander Stanovich, 81, a 51-year resident of Granite City, was dead on arrival at St. Elizabeth Hospital at 9:30 a.m. today. Mr. Stanovich apparently suffered a heart attack while hoeing in a garden at his home, 2035 Park avenue. He had been under a physician's care for a heart condition.

Born in Yugoslavia, Mr. Stanovich retired from Granite City Steel Co. in 1938 after being employed there for 26 years in the tin mill. He was a member of SNF Lodge No. 250 of Madison.

He is survived by his wife, Anna Stanovich of Granite City and a niece, Mrs. Adam (Anna) Galas of Fairmont City. Funeral services will be held Saturday afternoon. An obituary notice appears elsewhere in today's issue.

Bill Would Have Fund Solicitors Register

A bill has been introduced in the Illinois House of Representatives by Rep. Abner J. Mivra (D., Chicago) at the request of Attorney General William G. Clark to regulate solicitation of funds for charitable purposes.

Clark said this week the bill requires registration with the attorney general of persons who intend to solicit funds from the public for charitable organizations.

The measure also requires the solicitors to file a report and accounting with the attorney general after funds have been solicited, subject to certain exceptions.

Posters by GC League On Voting Information

More than 110 posters urging participation in the April elections were distributed yesterday by the Granite City League of Women Voters for display in

business places, public buildings and industries.

Each poster relates that "your vote makes the difference" and notes that information on voting precincts, requirements and related data may be obtained by calling the league president, Mrs. J. W. Seneff, at TR. 6-2404.

City Inspector Jack Fricker is to be guest speaker at the League's next unit meeting at 9:30 a.m. Wednesday, April 3, at the home of Mrs. Harold F. Karand, 65 Oaklawn.

1st Bids For SWIU To Be Opened Today

The first bids for building construction at Southwestern Illinois University between the Quad-Cities and Edwardsville are to be opened at 2:30 p.m. today in the university center auditorium at 2800 College avenue, Alton.

The bids are to be for the electrical, heating and air conditioning, ventilation, non-conductive coverings, fire protection, plumbing and temperature control.

General contracting bids for building a library and a classroom and faculty office buildings are to be opened next Thursday, also at Alton.

and Michael Leatherman Jr., incumbents, are seeking re-election to the Venice board.

Candidates traditionally are invited to attend Granite City board meetings, and Hollis was present for part of Tuesday's session.

Reorganization of the Granite City board was planned for Tuesday night, April 16.

The only incumbents not endorsed by the mayor's political group are Aldermen Samuel Whitmer in the Second Ward and Donald Partney in the Fourth.

On the township level, Daniel Churovich has received the nod from Mayor Davis. The other candidates are Robert Gray and William Webb Jr., incumbents, Carl Roach, Paul Kacera, John Winkmeier and Charles Voss.

Other Endorsements

Some of the other City-Township candidates are being supported by a political group headed by Richard Allen, assistant state's attorney and chairman of the Democratic city committee.

They are Nesbit for street superintendent; Charles Moellen for parks and recreation; J. D. Bergfield for two years in the Third; Litten Joyce in the Fifth; Samuel Shackelford, incumbent, in the Sixth, and Frank Vesci, incumbent, in the Eighth.

For township candidates, the group composed largely of Democratic precinct committeemen endorsed Gaughan, a D. Roach but has split on a third choice. Allen personally is supporting Winkmeier, while others are backing Webb.

Charged In Stabbing At Madison Restaurant

Glen L. Welsh, 28, of 4553 Walter avenue, was bound over to the Madison county grand jury yesterday on a charge of aggravated assault, following a stabbing at Ralph and Charlie's restaurant, 1431 Fourth street, Madison, about 2:30 a.m.

Welsh is charged in a complaint signed by Assistant State's Atty. Richard Allen with the stabbing of Dale Maxwell, 21, of 2823 Marshall avenue, Maxwell is reported in fair condition at St. Elizabeth Hospital with a stab wound in the stomach.

Welsh waived a preliminary hearing before Madison Police Magistrate John Bridick. He is free on \$10,000 bond.

Police said the incident followed an argument at the restaurant.

Frank Stohr, 49-Year Resident, Dies At 84

Frank Stohr, 49-year resident of Granite City, was a former employee of the Union Starch & Refining Co. He retired in 1950.

He and his wife, Elizabeth, who survives, celebrated their 50th wedding anniversary Sept. 30, 1962.

Mr. Stohr was a member of the Sacred Heart Catholic Church.

Survivors, in addition to his wife, include a son, Frank Star, Madison; two daughters, Mrs. Julius (Ann) Toth and Mrs. Charles (Elizabeth) Keck, Granite City; and eight grandchildren.

Funeral arrangements appear in the obituary column.

approach to Nomm," Costoff said, adding, "but I told Nomm I'm not buying in."

The barber was identified as James Tadlock, who operates a shop at 2117 Nevada avenue. Barbers are required to have Illinois licenses.

"I don't know the man," Costoff said. "I just recently received my credentials, and I've never been in his shop."

Tadlock, a member of the Fifth Ward Ill.-Parishian Voters group, said he had never been approached by Nomm directly.

The Ill.-Parishian group is advising Fifth Ward voters to exercise care in voting next Tuesday, because Nomm is running under an Independent Democratic ticket. After checking with attorneys and the county clerk's office, a spokesman said the group said it was learned that an "X" in the party circle would void any crossover vote in the election.

Nomm's opponent, Curtis Blewins.

"Nomm filed under the ticket label for the Democratic Party vote," the spokesman said.

Mayor Davis is supporting a complete slate in Tuesday's election, with the exception of the Seventh Ward.

Most of the mayor's candidates are incumbents and include Street Supt. Cardiff, Estill Schmitt, incumbent, for years, and Frank Barone, incumbent, for two years in the First Ward; Bernard Matveyka in the Second; Rufus Lemaster, incumbent, for two years in the Third; Litten Joyce in the Fifth; Samuel Shackelford, incumbent, in the Sixth, and Frank Vesci, incumbent, in the Eighth.

On the township level, Daniel Churovich has received the nod from Mayor Davis. The other candidates are Robert Gray and William Webb Jr., incumbents, Carl Roach, Paul Kacera, John Winkmeier and Charles Voss.

SOCIETY

Dinner, Election By Theta Chapter

A progressive dinner was held last night by Theta Iota chapter of Beta Sigma Phi sorority.

The meal began at the home of Mrs. Bea Brackett, 2301 Gary avenue. The hostess was assisted by Miss Alice Holabauer and Mrs. Delores Dorthe.

The evening's program was on "Pictures and a collection of reproductions of famous paintings was presented by Mrs. Brackett for discussion.

The chapter proceeded to the home of Mrs. Lucille Harper at 204 Garfield avenue, for a salad course by the hostess assisted by Mrs. Joyce Todd and Mrs. Norma Rains.

The third and fourth stops were at the homes of Mrs. Marjorie Todd, president; Mrs. Paul Tsigaroff with Miss Ruth Stoyanoff, Miss Marie Bishop, Mrs. Evelyn Tolliver, Mrs. Betty Elting, Mrs. Juanita Calve and Mrs. Lora Mae Lombardi assisting.

Officers for 1963-64 were elected: Mrs. Todd, president; Mrs. Rains, vice-president; Miss Bishop, corresponding secretary; Mrs. Tolliver, treasurer; Miss Stoyanoff, treasurer; and Mrs. Marcelle Ashford, extension officer.

Plans were made for contribution to an Easter basket to be presented at the April 10th meeting in the home of a former member, Mrs. Alice Koczynski, in Collinsville, and there was an announcement of reservations to be made at the next meeting for the Area convention in Collinsville April 26.

The traveling basket was brought by Miss Holabauer, and the hostess gift went to Mrs. Rains.

Mrs. August Michel of Edison avenue entertained her bridge club Wednesday and included three guests, Mrs. Robert Dempster, Mrs. Wallace Holton and Mrs. August Thies.

The high score was held by Mrs. Dempster, Mrs. Arthur Roman was second and Mrs. Roy Barney third.

The next meeting of the club will be held April 25 in the home of Mrs. Roman.

Wire Tap

The grand jury was told that Wortman had complained of a wire tap on his telephone line and wanted it removed. He also demanded an unlisted telephone number of Sheriff Barney Frankford, which Rorer refused to disclose.

When asked about Wortman's interest in his unlisted phone, Frankford said he had been instructed by the state's attorney's office not to discuss the case before the trial. "I'd tell you, but I was told not to talk to the press until the matter is out in court," Frankford told a Press-Record reporter.

The charges are misdemeanor, and if convicted Wortman could be sentenced to six months in jail and fined \$500 on each of the two counts.

Rorer and Frankford appeared as witnesses before the grand jury. State's Atty. Dick H. Judge said that Wortman's phone was not tapped.

A bench warrant for Wortman's arrest was issued by Circuit Judge Harold R. Clark following the indictments.

Ramach said he was told that Wortman was not home when he went to make the arrest, and that he was denied permission to search the home by a woman who answered the door.

Arrested At Home

Ramach said he and the other two deputies waited outside, and Buster's brother, Edward "Ted" Wortman, arrived in 10 or 15 minutes. He took the warrant inside, and in a few minutes, the brothers left the house and Buster was arrested.

Wortman, 38, said he was employed by the Plaza Amusement Co. which owns and services coin-operated devices. He currently is free on an appeal bond from federal conviction for income tax evasion for the years 1953, 1954 and 1955.

He was sentenced to a five-year prison term last year in East St. Louis federal district court. He was released after posting \$30,000 bond, a \$10,000 fine and \$2500 in court costs.

Scout Program At Niedringhaus PTA

More than 350 persons attended a meeting of the Niedringhaus school PTA Tuesday evening.

The program was given by Girl Scouts and Brownies with about 100 taking part.

Troop 350 was in charge of the flag ceremony and prayer was offered by Lana Earhart of Troop 171. The special feature of the program was an account by Cathy Parker, Troop 216, of her trip to the National Roundup last summer and films of activities there shown under the direction of Mrs. Lorraine Rant.

Reports were given and three candidates for the school board were introduced. They were Ronald Dillard, Glen Hollis and Virgil Kambarian.

Mrs. Esther Vassilef announced the Community Concert campaign to begin April 15, and Mrs. Frankie Hickey was appointed chairman of a nominating committee. The members to serve with her were selected from the floor.

Mrs. Jane Becker was chairman in the absence of the president, and a cake walk was a highlight of the program.

Refreshments were served by fifth grade room mothers.

5-Day Easter Holiday In GC School System

Maundy Thursday was declared a school holiday for this year by the Granite City board of education Tuesday night. Added to Good Friday and Easter Monday, the additional holiday will afford a five-day weekend for school employees April 11-15.

Custodians and cafeteria workers will be paid and will not work on Maundy Thursday, except for three Granite City high school boiler custodians, who will work and receive double pay.

Earlier agreements stipulated that if schools were not in session Maundy Thursday, it would be regarded as a holiday. The decision was left up to the board, which took no action until it had been determined whether there would be school dismissals this winter due to bad weather. There were no such dismissals, and the day was not needed to meet the minimum state requirement.

Effect of Strike Threat

The strike vote last month by American Federation of Teachers Local 743 appears to have detracted from the school district's ability to attract teacher applicants from among university seniors in Illinois, a discussion point out.

Supt. Harold M. Kaiser, Board President Robert Spengler, GCHS Principal Lawrence McCauley and Administrative Assistant Earl Lee went to Champaign last weekend to interview prospective teachers and to advise the state high school basketball tournament, it was noted.

Dr. Kaiser presented a letter in which Mrs. Genevieve Gideon, the former past president of Local 743, thanked him and the school board for their extensive time and efforts in seeking settlement with the teachers' union on salaries and working agreements.

Employ Four Teachers

On the recommendation of Dr. Kaiser, the board hired four teachers for the 1963-64 school year, including James Harold Morrison, University City, Mo., an assistant football coach and a driver training instructor at Granite City high school. A 1957 graduate of Ohio State University, he has six years of faculty experience.

Lyle Eugene Baum, Ladue, Mo., receiving a master degree from Washington University, St. Louis, this year, was employed at a GCHS English teacher.

New appointees to the elementary schools' faculty effective next fall are Miss Miriam Kibbie, Warrensburg, Mo., graduating in 1963 from the University of Missouri, and Mrs. Josephine Waggoner, Edwardsville, who holds a master degree from Southern Illinois University and has taught six years.

Designations, Leave of Absence

The board accepted three resignations effective June 7, last day of the current school year.

Mrs. Louise Gooch, 3728 N. Meeki road, Mitchell kindergarten teacher, plans to enter the business field, while Milburn Smith, 2705 Saratoga avenue, Prather junior high arts and crafts instructor, is moving from this area. Miss Juanita Brewer, 1916 Park avenue, GCHS girls physical education teacher, will leave the position due to personal reasons.

A leave of absence effective tomorrow was granted Mrs. Mary Alice Reegenhardt, Edwardsville, a second grade teacher at Wilson school.

The board authorized attendance by Supt. Kaiser and those board members who can attend the national school board association meeting April 27-30 in Denver, Colo. No mention was made of the former limitation of one administrator and two board members for participation in conventions.

Band Tour In May

Approval was given to tentative plans for the GCHS band to visit Mobile, Ala., as its annual tour May 14-18.

It was noted that the school district has complied with a U.S. Department of Defense request for data on its administrative organization and enrollment. The government is reviewing the organization of its schools for overseas dependents and is making comparisons with representative U.S. school districts.

Influenced reduced school attendance in February and early March, Dr. Kaiser said, adding that a study will be made to show whether the district should request a special adjustment in its state aid allocation, which is based on average daily attendance during the six best months of the year. February and March often have been among the six used.

91% February Attendance

A February report showed 91.2% attendance in the first through twelfth grades and 81.7% kindergarten attendance, an aggregate of 89.7%.

Of seven cases of infectious hepatitis at Webster grade school, which had 87% attendance in February, four pupils have returned to their classes, it was reported.

Medical authorities ruled that there was no epidemic, and no general instructions to parents were deemed necessary. Relatives of infected pupils received plasma injections.

State Trooper Gets Life Saving Award

Trooper Harry A. Bauers Jr., of the Illinois State Police, received the American Red Cross certificate of merit today for saving the lives of an Edwardsville mother and her seven children last Oct. 26.

Bauers, who lives at Caseyville, is well known in the Quad-Cities. The award, highest given by the National Red Cross, was presented in ceremonies at East St. Louis this morning. He is the 139th Illinois resident so honored.

The award was given as a result of Bauers' action in administering first aid to Mrs. Buddy Seigrist and her children, aged one through 12, after they had been affected by carbon monoxide fumes from an improperly vented furnace.

The trooper was sent to the home after Seigrist was treated at St. Mary's Hospital, East St. Louis, for apparent carbon monoxide poisoning and an attendant learned his wife and children were ill at home. The family had thought they had flu.

Levee District Seeks To Dismiss Complaint

The East Side Levee and Sanitary District is seeking to dismiss a suit filed by Nameoki Township in St. Clair county circuit court to force the district to construct trunk lines for a new sewer system in the township.

The district denied a charge that it had taken no action toward construction of a sewage treatment plant. The township filed suit Feb. 20 to test the constitutionality of a new state law requiring the district to hold a referendum on every general obligation bond issue.

The answer, filed by John A. Beck, an attorney for the district, admitted that untreated wastes now flow from the township into the Mississippi River, but said a pollution abatement program has been initiated.

Tentative Venice Twp. Budget Is Unchanged

No changes were made in the tentative \$188,965 Venice township budget at Tuesday night's hearing. Final action is to be taken in a public meeting at 2 p.m. next Tuesday.

The budget, up \$5365 from last year, is for the fiscal year which began yesterday. It includes \$137,210 for general assistance, \$46,770 for the town fund and \$505 for the Illinois municipal retirement fund.

Supervisor A. W. "Cooper" Moore said about 10 persons attended the budget hearing. The annual meeting will be at the Venice city hall council room.

Venice Lions To Elect Officers Next Month

The Venice Lions club held a regular dinner meeting Monday evening at the American Legion Post 307 Home, with 26 members present. The president, Gene Egan, conducted the meeting, reviewed reports and announced a nomination for a nominating committee. Marion Groshong, John Pier, Milton Morris, Charles Simmons and Henry McMullen.

A slate of officers will be presented for consideration at the April 8 meeting, and tentative plans are being made for the installation on May 13. A guest for the evening was Charles Johnson.

State Hospital To Show Technique At Open House

A process designed to benefit withdrawn patients by availing their interest in the real world is being intensified at Alton State Hospital, Dr. Abraham Simon, superintendent, announced.

Termed "reminiscence," it relieves patients of imaginative thinking. The program will be coordinated by Albert W. Sala, member of the hospital staff for eight years. A demonstration of the technique is scheduled for April 28 during an open house.

Joseph Schadler, 67, Found Dead In Auto

Joseph Schadler, 67, of 2916 Buxton avenue, was found dead in the trunk of his auto in his garage about noon Tuesday, apparently the result of a suicide.

Deputy Coroner Henry Pieper, who will conduct an inquest, said Mr. Schadler had been despondent since the death of his wife, Frances Irene, last August.

A length of vacuum cleaner hose had been attached to the exhaust of the auto, directing exhaust fumes into the trunk. The motor of the vehicle was still running when Mr. Schadler was found. He was pronounced dead at the scene.

The body was discovered by two boys who live nearby after a neighbor woman saw smoke coming from the garage and thought it was on fire. Police and the fire department were summoned.

Mr. Schadler, a native of Germany, had been a resident of this community for 58 years. He was a burner for the Hymen Michaels scrap company at Alton.

Survivors include a daughter, Mrs. James (Debbie) Smart, Granite City; a son, William Harrison, Collinsville; a brother, John Schadler, San Francisco, Calif.; five grandchildren and three great-grandchildren.

Funeral arrangements appear in the obituary column.

Potter Outlines Policy As Road Commissioner

A portion of the biographical sketch for Paul Potter, 52, of South Roxana, incumbent road commissioner for Chouteau township, was inadvertently omitted from Monday's issue.

Potter, who is seeking his second, four-year term, attended Carlville high school and has been a resident of the township since 1938. He also has taken special courses in mechanical engineering, psychology, public relations and political science.

He aided in the organization of the South Roxana Dads' Club and was a trustee for three years. He is a Scout leader and a member of the Masonic Lodge and Machinists Local 660.

Potter said he will work to solve local road problems to the best of his ability. Potter pointed out he has worked with the people of the township in solving road problems as well as working on those he has found himself during the past four years. "My goal is to give fair consideration and aid to the people of the township," he said.

"Is it morally right to spend this much money for practically no meeting?" she asks.

Another alderman, Paul Rutledge, also had an inquiry to make concerning the cost of the Aubrey-St. Clair sewer sanitary sewer replacement.

"I had the data in my pocket, but because of the quick adjournment, I had no chance to bring it up," Rutledge said.

He pointed out the bid was \$159,251, while the actual cost amounted to \$256,684, which included \$24,967 paid to David J. Johnston for engineering.

He pointed out the expensive lift stations were installed, while the council had suggested less expensive models.

A. W. Pearson of the city engineering staff, said the more expensive lift stations will not cause breakdown problems experienced with those in other sections of the sewer system.

Rutledge said his study also showed excess cost for the well point system and labor on it.

Rev. A. B. Sadler Rev. Sadler To Retire From Ministry Monday

Rev. A. B. Sadler, pastor of Venice First Baptist church since Oct. 2, 1951, will retire from the ministry April 1. The church will be host at an open house in honor of him and Mrs. Sadler from 2 to 4:30 p.m. Sunday.

Rev. Sadler was ordained as a Southern Baptist minister in 1950 and during the ensuing 43 years has pastored 24 churches, been an associational missionary and divisional missionary of four associations.

Rev. and Mrs. Sadler have seven children, all married. A son, Rev. LeRoy Sadler, is pastor of a Rolla, Mo., church.

Mrs. Mary Duffey Dies At Age 95

Mrs. Mary Duffey, 95, of 501 Kirkpatrick Homes, died at 3:05 a.m. yesterday at St. Elizabeth Hospital, where she had been a patient for about a month.

Her death came four years to the day after that of her husband, Clarence, who died March 27, 1959.

Mrs. Duffey was born at Peters Station and had lived in Granite City 63 years.

She is survived by a daughter, Mrs. Gladys Cramer, Chicago; three grandchildren and five great-grandchildren.

Funeral arrangements appear in an obituary notice elsewhere in this issue.

Income Tax Assistance Offered Every Friday

Time is growing short in which persons may file income tax returns without penalty. The deadline for filing is April 15.

Assistance in preparing the federal income tax forms is available without cost at the city hall in Granite City every Friday from 9 a.m. to 4 p.m.

IRS personnel will be on duty at those times and on Monday, April 15.

Council Audits Annual Reports Of GC Supervisor

The annual reports of Granite City Township Supervisor Nelson Hagnauer were audited Tuesday evening by Granite City council members in their capacity as the town board of auditors.

General assistance disbursement for the March 1, 1962, to Feb. 28, 1963, fiscal year totaled \$114,438, with \$24,195 in outstanding obligations on March 1.

The town fund disbursements amounted to \$40,436.

The general assistance fund income during the year included two tax anticipation warrants, \$35,000 borrowed on Nov. 1 and \$30,000 on Feb. 27. For the town fund, \$5000 was borrowed on May 23, prior to the receipt of new tax money.

No Relief Tax Levy In '62

With the \$65,000 in tax anticipation warrants and a \$70,323 balance on March 1, 1962, the general assistance fund had a total income of \$135,323 during the fiscal year. There was no tax levy.

The annual report shows a \$31,125 balance on March 1, 1963, which exceeds the outstanding obligations of \$24,159 by \$6966.

The town fund started the fiscal year with a \$10,055 balance and income, included in addition to the \$50,000 tax anticipation warrant, \$10,000 from 1960 taxes and \$33,894 from 1961 taxes, along with \$124 from the Granite City Housing Authority in lieu of taxes.

The disbursements of \$40,438 left a balance of \$12,221 on March 1.

Present for the semi-annual meeting of auditors, held in the office of City-Town Clerk A. L. Stevens were Alderman Charles Meyer, Samuel Whitner, Ford Johnson, Walter Nomm, Steve Basarich and Donald Partner.

Dr. W. F. Plassman Succumbs At Age 75

Dr. Walter F. Plassman, 75, retired, of Centralia died there Tuesday after a long illness. He was a son of the late Rev. Gustave Plassman, at one time pastor of St. John United Church of Christ here.

Survivors include his wife, Irene; two sons, Dr. W. F. Plassman Jr. and Leroy Plassman, Centralia; a brother, the Rev. Dr. Ewald Plassman, Peotone, Ill.; a sister, Mrs. Milton (Heim) Koenig, Collinsville; six grandchildren and one great-grandchild.

Funeral services are to be conducted Saturday at Centralia, with interment in Valley View Cemetery, Edwardsville.

OVER 1400 PERSONS, mostly women, but a scattering of men and youngsters, attended the second annual fashion show of the Washington Theatre, sponsored by the Downtown Granite City Shopping Center merchants. On stage is Charlotte Peters, radio and television personality who emceed the program which featured 50 local models.

County Zoning Board To Meet On Second Fridays

The new Madison county board of Zoning Appeals has set the second Friday of each month as the date of its regular meetings when it met for the first time this week at the courthouse in Edwardsville.

The schedule, however, will not take effect until after the first meeting of a court, and a member of the state's attorney's office should attend the hearings.

It was noted that a hearing can be conducted by as few as two of the five members of the board, who then could report to the entire board which will make the decision.

During the meeting, the board read state statutes pertaining to zoning and reviewed general and administrative sections of the zoning ordinance.

O'Neill Convolves

B. C. "Tip" O'Neill, 3901 Wabash avenue, local insurance and real estate agent, has returned to his home and is recovering after a stay of 34 days in St. Elizabeth Hospital where he suffered an attack of flu while undergoing treatment for a coronary.

C. W. Munson, 2548 Cleveland blvd., a retired industrial engineer and a former school board member, continues to improve at St. Elizabeth Hospital where he has been undergoing treatment for the past two weeks.

Clare Harris Dies; Dow Plant Asst. Manager

Clare S. Harris, 54, assistant plant manager in charge of engineering and maintenance at the Dow Metal Products Co., Madison, died at his home in Ferguson, Mo., this morning after a lengthy illness.

A pioneer in the magnesium field, Mr. Harris was well known throughout the industry for his early developmental work and was widely regarded as an authority on magnesium manufacturing operations.

An avid fisherman, he was particularly expert in fly casting and had been featured in Field and Stream magazine. The December issue of True magazine contained an article on Mr. Harris' casting skill.

Mr. Harris had been a Dow employee 33 years, being associated with the Dow Chemical firm at its Midland, Mich., headquarters before coming to the Madison plant eight years ago. He is survived by his wife, three married daughters and five grandchildren.

Funeral arrangements are in complete. Burial will take place in Midland.

GC Soldier Sentenced To 5-7 Years For Rape

A Granite City soldier was sentenced to a prison term of five to seven years in the state penitentiary after pleading guilty to the rape of a young Granite City girl in January.

He is Bobby E. Arms, 22, who had been stationed at Fort Eustis, Va., and was here on leave. He previously was stationed at the Granite City Army Depot and lived in the 2100 block of Delmar avenue with his wife and two children.

His medical report says he admitted taking barbiturates and drinking, authorities said.

The guilty plea was accepted Monday afternoon by Probate Judge Austin Lewis, presiding in circuit court. Arms was charged with forcing the girl, 19, into sexual intercourse near Sunset Hill and returning her to Granite City. Following her arrest, two psychiatrists judged that he was legally sane.

Pair Pleads Innocent To Narcotics Charge

(Special from Springfield)

Fledgings of innocent were entered yesterday by two Quad Cityans who appeared in the Sangamon county circuit court, charged with a charge of conspiracy to sell narcotics illegally and theft.

They were Landon Fisher, 31, of Rural Route One, and Gerald Myatt, 24, of the 1900 block of Rhodes street, Madison. Fisher was freed on bond. Their trial date was set May 6.

The pair was arrested March 6 after agreeing to sell heroin to a state narcotics agent, Donald Young. Authorities said they were to meet him at a restaurant near Springfield to turn over the drug. Instead, they took his \$300 and fled in an auto.

When captured at a roadblock, they had \$400 in their possession, authorities said.

Auto Agency Cited For Reconditioning Program

With the awarding here on Tuesday of the Dodge Division certificate of accomplishment to Farrington Motors, Inc., 1911 Madison avenue, another Chrysler Corp. dealer has completed a week-long comprehensive training course in modern used vehicle reconditioning methods and detailing techniques. It was announced by the Chrysler firm.

Chrysler Corp. started the multi-million dollar program a year ago, the desired result is its dealers offering to the public used cars and trucks that are restored to as new a condition as possible, it was explained.

The used car is sanitized as part of the reconditioning, with the "new car odor" restored. The methods, materials and tools are tested in the corporation's laboratories and on the proving grounds, before acceptance of any item, a trial run must be completed in the field.

The certificate presentation was made to Don Farrington by the St. Louis Dodge regional used vehicle reconditioning coordinator, Vernon Volmer.

fundamental right of exercising their legislative function.

"Taxpayers are paying Mayor Davis \$250 a meeting to deny this right. On Monday, they received \$250 for only 20 minutes work and prevented a regular meeting from being its full course. This is not only expensive; it is sheer waste; practically no meeting."

She figured the cost of the meeting, based on total monthly salaries and three meetings a month, to be \$306-12 aldermen at \$105 a month and two, who claim no expense allowances, at \$75 a month, with an additional cost of \$216 for one meeting for the city attorney. YOUR MERC DEALER WILL HELP YOU GO WHERE YOU GO

If you've had some trouble getting back to those good fishing spots, better see your Merc dealer. He'll show you how a new Merc can run through thick weeds and silt as easily as most motors run in deep water.

New fishing Mercs have a smooth Glide-Angle design that lets them slip through water grasses... slide up and over sand bars and shallows. There's no protruding nose to hang-up weeds or hook on logs or lines.

Mercs are light. The Merc 110 5.8 hp., weighs less than other 5 1/2 hp. outboards. You can carry it to those unfished places. Mercs have speed and endurance. You can get to the good spots fast... and spend more time fishing. You can troll all day without fouling plugs... fishing Mercs have tilted powerheads and fixed jet carburetors. You never shear pins. Mercs have no shear pins. Mercs have a live-rubber safety clutch instead.

A new 1963 Merc is just the thing to go where the fish go. Your Mercury Outboard dealer is the man to see. Let him show you how easy it is to own a new Merc 60, Merc 110, Merc 200 or Merc 300... 6, 9.8, 20 and 35 horsepower outboards.

JAMES MORRISON, who was named head football coach of Granite City high school by the school board Tuesday night.

First Varsity Position For W.U. Jayvee Mentor, 28

James H. Morrison, 28-year-old graduate of Ohio State University and junior varsity line coach at Washington University, St. Louis, this past season, is the new head football coach at Granite City high school.

Morrison was hired by the Granite City school board Tuesday night on the recommendation of Supt. Harold M. Kaiser, Principal Lawrence McCutcheon and Athletic Director Dick Yates.

He succeeds Al Lewis, who resigned after one year as head coach. Lewis' 1962 team had a 2-7 record.

Morrison, who resides in St. Louis, has not held a varsity coaching position previously. In 1953, he coached the junior varsity team at Washington University in St. Louis, where he was named coach of the year.

His high school coaching experience includes three years as junior varsity football coach at Euclid, O., where his teams had a 16-1 record.

In addition to his coaching duties at Washington U., Morrison taught five physical education department service classes. He expects to complete requirements for a master's degree in physical education at WU by July.

Morrison was one of two dozen applicants screened for the head football coaching job at GCHS. The group was narrowed to five and then to one before the school board acted Tuesday night.

Morrison becomes the fourth varsity football coach in seven years at Granite City.

He said yesterday during a visit here that he and his wife, the former Betty Atkins, plan to relocate here in June as soon as he completes work toward his master's degree. Mrs. Morrison holds a master's degree in physical education. They have been married less than a year.

Game At Triad Today 1st Of 7 In 6 Days For Warriors

An ambitious opening week schedule which begins this afternoon will send Granite City high school's varsity baseball squad into seven games in six days, weather permitting.

The Warriors were scheduled in Triad against the Knights at 4 p.m. today. They have a pair of doubleheaders on Saturday and will come back Monday afternoon with a contest against Assumption of East St. Louis at Wilson Park.

It might seem an impossible schedule except for a division of the varsity club into two squads for Saturday afternoon matchups. Coach Joe Feola will send one contingent to St. Peter & Paul of Waterloo; the remaining players will host Cahokia's Comanches at Wilson Park, with the first of two games getting underway at noon.

"This way, all of our pitchers will get to work under game conditions before the conference season starts," explained Feola. All players at other positions are likely to log some playing time, too.

Granite City's first Southwestern Conference contest will be against Wood River on Tuesday, beginning at 4 p.m. The Warriors will not attempt to schedule any of this week-end's activity in the case of rain-outs. However, an attempt will be made to play SWC games postponed due to bad weather.

Two Tryout Dates For Little League Hopefuls
Tryouts for prospective players in both the major and minor divisions of the Nameoki Little League will be held at 10 a.m. Saturday and again the following Saturday at the Little League diamond, Johnson road and Ames avenue.

Thurli Jones, player agent for the league, said the tryout sessions are for boys who have not played Little League ball previously. Youngsters between the ages of eight and 13 should be within the league boundaries are welcome to attend, he said.

Boys who played Little League ball last year should not attend. Players will be registered as they arrive at the diamond, and the sessions will be watched by managers of Little League teams. The league will begin minor division play on May 6, with an opening day parade and the initial major division games scheduled the following Saturday, May 11.

Granite City, a perennial contender in the Southwestern Conference tennis race, will begin Tuesday what Coach Dick Harmon calls "our best schedule" when the Warriors host Wood River in 4 p.m. matches at the Wilson Park courts.

"We're an experienced team," said Harmon, whose clubs have won four SWC championships outright and shared the title three times in the past seven seasons.

Six lettermen beef up the Redmen's court chances this spring in what again looks like a race between Granite City, Belleville and Edwardsville for conference laurels. The three clubs were co-champions last spring, but the Warriors went on to win the district title by a one-point margin.

"Belleville looks like our toughest go inside the conference," Harmon continued, "with Edwardsville in there, too. Country Day (St. Louis) will be very strong again and tops on our list outside the conference. It's the best schedule we've played since I've been here."

Granite City will be at home for the first three meets on a schedule of 15 which includes new opponents Olney and Alton. Tennis is being revived at Alton this year, but the Redbirds will not compete as a conference team. The SWC roster includes GC, Belleville, Edwardsville, Wood River, Collinsville, the same as in 1962.

Warrior lettermen include seniors Mike Barnes and Bill Logan, the defending district doubles duo that represented GCHS at the state meet last year. John O'Dell, Bill Kaseberg and Bob Bischoff, and junior Wayne Barnhart.

Other top prospects include Rusty Toburen, a sophomore, and junior Neil Weir. Challenge matches to determine the singles and doubles players for the Wood River matches began this week.

Logan may not be in the lineup Tuesday. A stone bruise on his left foot hobbled him in workouts this week.

daughter tourney will be rolled in the afternoon. Trophies will be presented to the winners, plus the father-son duo which won last week's tourney.

Trojans Net Crew Meets W. R. Monday
Madison high school tennis players will begin their second full season Monday in a match at Wood River, probably without having met one another in challenge matches.

"The weather's been so bad and we've got a school holiday tomorrow," said Coach Bob Barnes. "We'll probably concentrate on doing some hard hitting in the little time we have left."

Barnhart will lean on lettermen John Summers, Don Broyles and Larry Lux in the singles Monday, with Mike Moss and Ralph Rideout probably getting into doubles play against the Oilers.

Moss, a promising sophomore when Madison began varsity tennis two years ago, missed the 1962 season with a broken ankle. He is sound now, however, Barnhart says.

Three sophomores are working for berths in singles and doubles. They are Broyles, Casimir Krakowski and Bruce Henderson. Barnhart, last one returning letterman when John Okal chose baseball over tennis this spring.

The MHS coach lists nine meets on his schedule, and is presently verifying two additional dates with Collinsville. "We'll also play at least one match with Granite City," he said, "provided we can work it in. We're close together, so travel is no problem."

Judo Club Promotes Army Lieutenant

First Lieut. Tadashi Frederick Hamada of the Granite City Army Depot was promoted Monday from go-kyu rank to pon-kyu by the promotion board of the Granite City Judo club. The new rank authorizes him to wear a green-piped belt instead of the novice's white, in accordance with international standards set by the Kodokan Judo College of Tokyo. A formal test was conducted at the YMCA before club members and three members of the promotion board, President Robert Whelan, Robert Toupal of SSU and Don Hibbler. YMCA Judo instructor, Hamada's working partner for the demonstration of throwing and holding techniques was James Lindell, YMCA Judo instructor. Included in the examination was an oral test on techniques, rules and Japanese terminology.

1st Warrior Time Trials Yesterday

Initial time and distance trials run off by members of Granite City's track and field squad yesterday afternoon were not exactly record-breakers, but some of them were encouraging to Coach Ross Rosenthal and Assistant Coach Andy Sullivan. Individually, some of the times were heartening. Distance runner Gary Lomax turned in his first under five-minute mile, running in 4:45.2 on a soggy track.

"The maintenance men are working on the running surface, and that will improve some of our times later," Rosenthal said. In the shorter distances Wednesday, Mike Mounce turned in a 55.8 quarter and the top 220 lb. recorded were 24.5 by Bob Pyle, 24.5 by Joe Nemeth and 25.7 by Phil Andrews, a junior making his first bid for a team berth with the Warriors.

Collinsville transfer Joe Hiles is showing expected strength with the weights. Rosenthal added, "Joe's already over 350 lbs. with the discus and over 50 feet with the shot. Several other boys are flirting with the 50-foot mark."

With their season-opening dual meet here against Wood River just five days off, the Warriors will go through another extensive workout this afternoon.

Rosenthal said he also plans a 7 a.m. practice tomorrow before departing for a teachers' meeting. "The relay teams will get in some team work, but we won't be clocking them over the full distance until Monday," he added.

Bantam Kickers Will Battle For First Place On Saturday

A battle for first place in the Bantam division shapes up as the most interesting of eight YMCA soccer league contests here Saturday and Sunday.

Lincoln Place and Gitchoff Agency, both with 2-0 records, will meet in the game at 12:30 Saturday on the league's new field in Wilson Park. Another Bantam game at 1:30 a.m. pits Bricklayers' Local 65 and Lueders Agency.

Other Saturday contests include two Juvenile games. At 10 a.m., Lincoln Place and Fairmont City Golf Course play at Coolidge junior high school, and at 11:15 Granite City Trust & Savings Bank meets the Fairmont City Reds on the same field.

At 12:30 on the Coolidge layout, the Twilight Optimists oppose Roxycki Realty, and at 1:30 Lincoln Place kicks against GBU Insurance. These two games are in the Midget division.

Two Bantam makeup contests form the Sunday afternoon schedule on the park field. Lincoln Place will play Lueders Agency at 1 p.m. and Local 65 will meet Gitchoff Realty at 2 p.m.

Buehler Named To ISNU Varsity Baseball Squad

Vic Buehler, a 1962 Granite City high school graduate and freshman student at Illinois State Normal University, was one of 28 players named to the Redbirds' varsity baseball team this week.

Buehler is the son of Mr. and Mrs. Carl Buehler, 2600 Madison avenue. He is a catcher.

"The most common mistake is to mistake ambition for ability."

GC Wrestling, Basketball Lettermen Honored; Petersen Banquet Speaker

"Scramble desire, dedication, discipline and devotion — throw in a dash of ability, and you have a champion," Missouri University Assistant Basketball Coach Bob Petersen told Granite City high school wrestling and basketball lettermen, their parents and friends last night at the annual spring athletic recognition dinner at GCHS.

"The desire to excel, dedication to the task, self-discipline in overcoming physical handicaps and a devotion to God are all ingredients, the guest speaker said.

"You might even say that being normal is a hazard," he added. "You fall into a rut. Many of our champions had to overcome some type of physical handicap."

Coaches Bill Schmitt (wrestling) and Andy Sullivan (basketball) had their moments at the speaker's rostrum, too, and both were in post-season form.

Before he introduced the lettermen from another fine grappling squad, Schmitt recalled how some of his wrestlers were "served tape" for dinner during the time they were in training.

"They didn't eat it," Smitty said, but instead pasted it over their mouths to keep from eating. And that's the way a lot of them made weight."

Sullivan, whose 1962-63 team won 13 more games than last year, said he coached the previous season, remarked: "I'm a lot happier, of course, to be here this year than I was last year."

He revealed that one school record had been broken and another tied this year by two of his players. Senior guard George Brink established an assist mark with 11 in a game with Alton, and senior center George Moore tied Frank Knight's rebound record with 20 in the first contest with Collinsville.

Moore, who is being sought by a dozen major colleges, was called "the most improved high school player I've ever coached" by Sullivan. Moore is giving the most serious consideration to offers from Missouri and Bradley.

New Coach, Wife Guests Among guests present were Jim Morrison, hired the previous evening as head GCHS football coach, and his wife Betty.

Ernest "Pat" Rich served as master-of-ceremonies for the banquet, which again was staged by the Lettermen's G club. The school's traveling free throw accuracy trophy was awarded to junior Jim Proffitt, who hit 78% of his charity tosses this season.

Basketball and wrestling letters were presented to GCHS athletes during a recognition assembly held at the school gymnasium Tuesday afternoon. GCHS cheerleaders and members of the "Red Peppers" cheering section also were recognized last night.

Four Tennis Courts In Wilson Park Will Get \$2400 Spring Facelifting

The Wilson Park tennis courts will get a facelifting this spring. Meeting Tuesday night, the Granite City park board approved a \$2400 expenditure for resurfacing of the four playing areas by the Holland Asphalt Paving Co. of Granite City. No bids were sought on the project.

The board has estimated the cost of the work at \$2500. Fences surrounding the courts will be painted and new nets installed. These items were not included in the Holland firm's price. The work will be done by park district employees.

The board approved the installation of five new drinking fountains in the park which will necessitate the laying of 900 feet of plastic pipe, which has been purchased for \$54.

Use of baseball diamond No. 1 on Sundays by Inter-City baseball teams (Moberly, Fairport, Home and Sacred Heart, and of the softball diamond on Sundays by Bowland and Home of the Blues, Tavern league softball teams, was approved.

The Lutheran Bureau was granted permission to use park facilities for Easter sunrise services.

Approved for payment Tuesday night were February bills totaling \$2529 and \$2438 in salaries for the same period.

Tailored by The House of Worstad-Text

Some of our most demanding customers belong to that group of individualists who work in sports clothes or uniforms. Since their suit wardrobe is small, it has to be versatile. And since they don't buy suits often, they insist on getting the maximum value for their money. We solved both problems for them with our "10-Monther" suit, tailored by the House of Worstad-Text. The specially developed fabric is just the right weight for almost every month of the year. The classic lines, tailored with a wealth of hand-detailing, are at ease in almost every situation. The Worstad-Text workmanship assures you our suit will look as fine next year as it does today. If you could own only one suit, this would be it.

Lesche Club Hears Review

A review of the book "Vain Shadow," by Spence, was given Tuesday by Mrs. Carl Miller at a meeting of the Lesche Literary Club in the home of Mrs. Rex Niles, 2921 Grand avenue.

The hostess served luncheon to 18, including a guest, Mrs. H. T. Lewis, and the business session following was conducted by Mrs. Henry George, president.

Reservations for the spring convention to be held in East St. Louis April 2 were made and the program, in charge of Mrs. Clyde Lester, included, beside the book report, current events by Mrs. James Stuart. The latter discussed "pesticides" and their use and read a clipping from a newspaper entitled "A breakthrough: You Cleaner Air."

An election of officers will be held at the next meeting April 9 in the home of Mrs. Eugene Schnipper, 1713 Garfield avenue.

Award Given To Eagles Auxiliary

The Eagles Auxiliary, which met Monday evening, has been presented with a certificate of appreciation by the Salvation Army for services rendered to the community.

Announcement of the award was made at a meeting Monday evening presided over by Mrs. Florida Batson, president.

An invitation has been received by the group from the Jerseyville Auxiliary to a meeting Sunday in celebration of its 14th anniversary. Mrs. Theresa Daiger reported on a recent party for patients at the county Tuberculosis Sanatorium in Edwardsville, the committee for which consisted of herself, Mrs. Vera Hornyak and Mrs. Norma Henkin, chairman.

Miss Sylvia Roy was appointed chairman of the "patron page" for the convention book.

Refreshments were served by a committee composed of Mrs. Rinda Brown, Mrs. Alice Koester and Mrs. Bernice Johannigmeier.

JAYCEETTES, MEET AT POWER CO. OFFICE

The Jayceettes met Monday evening in the offices of the Illinois Power Co. for a program on "kitchen planning" and lighting" by Miss Jo Leslie and Miss Dorothy Davis of the company.

Mrs. Ethel Juergensen conducted a short business discussion. Refreshments were served by Miss Leslie and Miss Davis to 11 members. The next meeting will be April 29.

The event will take place June 28-30 in Waukegan, Ill.

Mrs. Helen Frenzel invited help for the cancer drive, and Mrs. Juanita Eblevins was a pillowcase party March 31.

On April 21 the Auxiliary will host a district meeting and the local group will again prepare and serve dinner following the meeting.

Mrs. Frenzel received the evening's prize and the "white elephant," contributed by Mrs. Marie Hueschen, went to Mrs. Victoria Portel.

Refreshments were served by a committee composed of Mrs. Rinda Brown, Mrs. Alice Koester and Mrs. Bernice Johannigmeier.

Gabriel Shrine Holds 25th Annual Officer Installation

The 25th annual installation of officers of Gabriel Shrine 78, White Shrine of Jerusalem, was held Monday evening at the Masonic Temple.

The 1963 elective and appointive officers are: Ola Downing, worthy high priestess; William Penning, watchman of fowls; Mary A. Peters, noble prophetess; Emmet H. Carraher, associate watchman of fowls; Anna L. Mueller, worthy scribe; Ann J. Burnett, worthy treasurer; Cora M. Hettich, worthy chaplain; Katie Pennock, worthy shepherdess; Alice Woods, worthy guide.

Irene Kossier, worthy herald; Dr. E. L. Ackerman, first wise man; Vernon A. Cherry, second wise man; Delbert K. McKissick, third wise man; Wayne Richardson, king; Esther Jennings, queen; Florence Medall, first hand maid; Ruth Thompson, second hand maid; Alberta Rongey, third hand maid; Marguerite Halpurns, worthy organist; Lou Anderson, worthy guardian; Howard Prewett, worthy guard.

Honorary appointive officers are: Edith Smith, courier; Corinne Bird, matron of honor; Elizabeth Schalkham, maid of honor; Florence Schalkham, girl; Eleanor Bonatt, Madonnas; Lucille Lipe, angel; Thelma Prewett, banner bearer; Beverly Benoit and Cecilia Schreiber, banner escorts; Mary Ann Harris, American flag bearer; Thelma Johnson and Dorothy Edwards, American flag escorts; Sadie Jones, Christian flag bearer; Pearl Ferguson and Betty Johnston, Christian flag escorts; Margaret Melick, soloist; Roland A. Mueller, stereopticon; Dorothy Daigler, Daisy Warner, Minnie Clay and Lucille Podner, queen's attendants; Albin Schreiber, captain; Garret Ferguson, Richard Morgan, David Morgan and William Carasick, king's guards.

The ceremony, which began at 8 o'clock, was witnessed by more than 200 persons.

The installation got underway as the candlelighters, Patricia Johnson and Margaret Smith, entered the room followed by Elveta Barr, a past worthy high priestess, carrying the open Bible. After the Bible ceremony, the retiring officers, Gaston and Clara Schreiber, were escorted by the new officers.

There were remarks by the incoming and outgoing officers and all expressed their thanks to their fellow officers. The families of the officers also were introduced and given a hearty welcome.

Past officers' jewels were presented by Mrs. Poole and Roland Mueller and after the past officers signed the Bible the new officers were installed.

A reception in the first floor dining room followed the installation ceremony, and refreshments were served. The reception committee was composed of Mrs. Hettich, worthy matron of Eastern Star, Mrs. Hilda Griffith, worthy matron of Granite Chapter, Mrs. Louise Cook, Mrs. Helen Peters, Mrs. Gladys Fisk, Mrs. Mary Taylor, Mrs. Sue Stein, and Mrs. Nannie Meadows.

Present and past Supreme officers, past worthy high priestesses and past watchmen of shepherds of the Order of the White Shrine were guests of honor for the evening.

Gospel Mission Music
Program Set Sunday

Mrs. Bethel J. Davis, founder and superintendent of the Gospel Mission, 2014 East 20th street, is announcing a musical program to be held Sunday, beginning at 2 p.m., featuring the Chaplains, a local quartet.

At 7:30 p.m. the Mission's evening Sunbeams, junior and senior choirs directed by Mrs. Davis, will sing. The senior group will present "Peace Be Still" and "How Great Thou Art."

Mike Townzen and Miss Sandy Lazenby will be in charge of the devotional service and special numbers will be presented by Miss Juanita Brewer singing "The Pearl White City." A quartet, Mr. and Mrs. Don Hayes, James Hildreth and Miss Kathy Jones, will sing "Peace Like A River."

Numbers by a trio, Mrs. Jerry Barnett, Miss Linda Fowler and Miss Judy Hawk, will be "Heights of Happiness," and there will be a duet by Mrs. Bill Rainwater and Mrs. Frank Bickel. The number will be "How About Your Heart?"

The program will close with the installation of senior officers: Mike Townzen, president; Sandy Lazenby, vice-president; Jackie Hill, secretary; and Carol Bradshaw, treasurer; Judy Hawk, song leader; and Joyce Fowler, social service secretary.

The youth group meets at 8:30 p.m. each Sunday at the Mission. Mr. and Mrs. Calvin Lazenby Jr. are sponsors. The public is invited to attend.

Social Security Agent
To Be In GC Friday

A. Ralph Brasher, manager of the East St. Louis Social Security office, said today a Social Security representative will be at the city hall in Granite City Friday at 10 a.m.

He said this is an opportunity for Quad-Cityans to have questions regarding their social security account answered. In addition, Brasher said that persons who would desire to check their social security account to see if it is according to their records or persons who are interested in obtaining social security numbers could also contact the representative.

He emphasized that anyone that is 65 years and over, regardless of whether they are retired or not who have worked under Social Security, should contact the representative.

Church Women 'Blanket Sunday' This Weekend

Quadrant churches, through the United Church Women, will observe "Blanket Sunday" March 31. Each member is requested to furnish one blanket and 25 cents to cover cost of mailing at the church which they attend.

A call has come from Algeria for blankets for refugees who have fled from the turmoil and upset of that land. Thousands of others have fled and left their belongings behind and the church is alerted to the need. The United Church Women have chosen this as their project for the year.

A previous call found the warehouses short on the needed amount. The Macedonia call was sent out and the women accepted the challenge.

If desired a cash gift of \$3.25 will be accepted.

All churches are requested to take their blankets to St. John United Church of Christ on Nameoki road.

Fourth Meeting On Eagle Park Water Plan Set

A fourth public meeting on Eagle Park Acres water service will be held Sunday at 3 p.m. at the Eagle Park Acres Methodist Church. All interested persons are invited to attend.

Cleveland Johnson, president of the Eagle Park Improvement Association, said a water service contract with the East St. Louis and Interurban Water Co. which expired yesterday has been renewed for 60 days.

"I'm afraid with costs going up every day we won't be able to retain the present agreement with the water company after that," Johnson said.

The contract calls for extension of service to Eagle Park Acres upon payment of a \$1000 installation fee by each householder there. The First National Bank in Madison is acting as trustee of deposits until final action is taken.

Johnson also reported that door-to-door mail delivery in Eagle Park Acres has been started by the Madison post office, although some residents have not installed needed posts and boxes.

Carl Carnes, 200 Hill street is in charge of the mail delivery project, Johnson said.

VHS Senior Class Play Preparations Now In Progress

By Michael Lopez

Venice high school seniors are working on preparations for the annual class play, to be presented April 26. Class members are busy this week soliciting play boosters.

Tomorrow, the seniors will contact potential advertisers for the play program, with proceeds to help finance the annual senior trip.

NINE VHS STUDENTS and two faculty members will attend a Vocational Technical Institute open house at Southern Illinois University, Carbondale, tomorrow.

The open house program includes exhibits, demonstrations, displays, tours and information concerning career opportunities, admissions, housing, scholarships and other matters.

Making the trip will be Paul Sutton, Paul Sweda, Joe Mangi, Frank Scaturro, Eddie Ponce, Joe Ponce, Mike Callender, Richard McIntosh and John Logan.

They will be accompanied by Duane Rankin of the fine arts department and William Chiodori of the athletic department.

Students Invited To Historical Program

Madison county high school students have been invited to participate in a student historian's meeting at Carmel high school April 6, one of four such sessions planned throughout the state.

The meeting, planned by State Historian Clyde C. Walton and Director Olive S. Foster of "Illinois History" magazine, will include audience folk singing, illustrated talks on Illinois Indians and the Civil War, prize awards for art exhibits, dioramas and handicrafts.

Students may submit entries in the prize competition, with the state historical society to award prizes in each category and a trophy to the school which makes the greatest contribution.

Students planning to attend should register no later than April 1 with Carmel high school. Art, handicraft or diorama entries, based on some phase of Illinois or local history, should be brought the day of the meeting.

Further information is available from the host school from students from 36 counties of southern Illinois have been invited.

Steel Company To Honor Jr. Achievement Group

Junior Achievement will get a close look from some of its sponsors Monday night, when Granite City Steel Co. honors JA contributors from throughout the area.

About 50 men who have assisted in the Junior Achievement program in various ways will be guests of the steel company. The event is scheduled to begin at 7 p.m. in an upper floor cafeteria and lounge area in Granite City Steel Building, 11 at Mundelein College near Chicago.

The men are among those who work with and support youth of the Quad-Cities in Junior Achievement. The purposes of the program is to let them learn more about actual JA activities.

JA Program, Changes

Miss Mickey Hoy, 2309 Lynch avenue, will speak to the group as representative of the Granite City JA Center. Miss Hoy will outline the JA program and some of the changes which have taken place.

A member of the "Power Teens" Junior Achievement company, Miss Hoy was named queen of the Granite City center earlier this year and served as an attendant to the Mississippi Valley JA queen.

Products of the JA companies working at the center here will be displayed at the meeting, and the Jado JA company will demonstrate production of its product, a hurricane lamp. Jado is co-sponsored by Dow Metal Products, Inc. and American Steel Foundries.

Firm Representatives

Representatives of all 17 steel companies operating here will be present at the meeting to answer questions about their products.

Junior Achievement is a national organization governed by a board of directors in New York City, with federated branches throughout the nation.

The Granite City center operates under the direction of Junior Achievement of Mississippi.

Primary purpose of Junior Achievement is to teach young men and women the American system of free enterprise and the necessity of operating at a profit.

Students planning to attend should register no later than April 1 with Carmel high school. Art, handicraft or diorama entries, based on some phase of Illinois or local history, should be brought the day of the meeting.

Further information is available from the host school from students from 36 counties of southern Illinois have been invited.

Latin Pupils In Regional Contest

Twelve students will represent the Granite City school district in regional Latin competition scheduled for Saturday at Belleville high school. Those qualifying in the annual contest will advance to state judging May 11 at Mundelein College near Chicago.

Entries are James LeGrand, Gale Alford, Carla Francis, Barbara Kovachik, Karen Tegel and Barbara Peach, Granite City high school; Sandra Cavelli, Judy Friedman and Kathy McDonaid, Coolidge junior high school; and David Rosdy, Linda Lee and Forrest Swan, Prairie junior high school.

Latin teachers accompanying the group will be Miss Mildred Ifrig, GCHS; Francis J. Grabowski, Coolidge; and Mrs. L. L. Arckbauer, Prairie.

Sponsored by the Illinois Classical Association, the contest will include fundamentals of grammar, reading ability, sentence structure and cultural and historical aspects of the Roman civilization.

Library Service Shared By Two SIU Campuses

Merging of educational facilities and services at the two campuses of Southern Illinois University is typified in the shared library resources, according to Ralph E. McCoy, director of libraries at SIU.

Many of the acquisitions are divided between Morris Library on the main campus of SIU at Carbondale and the Southwest campus, McCoy said.

Morris Library contains approximately 600,000 volumes, he said, with 50,000 to 60,000 added each year. The southwestern campus library has about 83,000 volumes.

Two extensive private libraries have been purchased for division between the two campuses. They are the 14,000-volume Germanic collection of the late Prof. Wilhelm Koach of Vienna—largest single acquisition SIU has made—and the 800-volume collection of Joseph Hirschberg, retired St. Louis accountant.

NEWLY INSTALLED OFFICERS of the Boco young men's club are, from the left, Eric Robertson, treasurer; John Love, secretary; John O'Dell, external vice-president; Bill Niepert, president; Bill Hayes, internal vice-president; and Larry Anderson, pledge master. Absent from the picture is James Nash, sergeant-at-arms.

Nancy Turpenoff Is New Sorority Member

Miss Nancy Turpenoff of Granite City has been initiated into the Alpha Kappa chapter of Zeta Tau Alpha sorority at the University of Illinois.

New members were honored at an initiation dance entitled "Initiation Interlude" and at an youth group organized last initiation banquet. Banquet speaker was Mrs. Melvin Hildebrand, newly installed Squires rotary—or secretary—said the club is open to all young Catholic men aged 13-17, inclusive. A formal initiation date for Illinois Beauty and served April or early May.

Anyone interested in learning more about the group is urged to attend a meeting, Hildebrand said. The Squires meet at 7:30 p.m. each Tuesday at the Knights of Columbus Hall, 2054 Edmon Avenue.

Hildebrand, who lives at 2132 State street, said anyone needing transportation to a meeting or wishing further information about the Squires may call him or the Knights of Columbus Hall.

The Columbian Squires presently have 23 members. Officers, in addition to Hildebrand, are Craig Nomm, chief squire; Alan Gasparovic, deputy chief squire; Kevin Colligan, marshal; and Mike Manning, bursar. Advisable for the College of Engineering honors program. They may select special class sections giving opportunity for extra work, and as juniors and seniors have special privileges usually associated with graduate student status.

Public Schools Close For County Institute

All public schools in the Quad-Cities will be closed tomorrow for the 105th annual Madison county teachers' institute, which is to be conducted at Collinsville and Alton.

Although parochial schools will not be closed, parochial teachers who have an opportunity have been invited to attend. Speakers will include Charles W. Clabaugh, state representative from Champaign; Dr. Michael G. Roberts, Parsons College president; Dr. Samuel Shepard Jr., assistant St. Louis school superintendent; and Dr. Carl S. Winters, guest lecturer for the General Motors speakers bureau.

Principal Lawrence McCauley said only a limited number of students will be allowed to witness the demonstrations, possibly those in physical education classes meeting at the time.

The demonstrations are scheduled for 10:30 a.m. and 1:30 p.m. semester dean's list for high academic standing.

SOCIETY

Mrs. Spiceland
PTA President

The all-purpose room of Coolidge Junior high school was the scene of a monthly meeting of the PTA Monday night, with Mrs. Lois Haynes, president, presiding. New officers were elected.

Girl Scouts Diane and Donna Kinney opened the meeting by presenting the colors, followed by a poem read by Diane Kinney, "What Is A Girl Scout?" The PTA prayer was given by Homer Johnson. Mrs. Haynes introduced the Coolidge girls' chorus, under the direction of Mrs. Pauline Frazier, which presented the following selections: "Make Believe," "Never Walk Alone," and "Kodachrome." Mrs. Edith McGee announced that the homecoming girls are making yellow smocks for the art students to wear at a fashion show where their art work will be on display and for sale. The style show's theme is "Archie and Models," and it will be held in the school gym on April 4.

In the election of officers for the 1963-64 year, those named were Mrs. Elva M. Spiceland, president; Mrs. Elsie Rodell, first vice-president; Miss Margaret Principal Frank Kraus, second vice-president; Mrs. Kathleen Tadlock, corresponding secretary; Mrs. Lucy Stewart, recording secretary; and Lewis Sabin, treasurer.

Mrs. Rodell, program chairwoman, introduced Ronald Dillard, Virgil Kambarian and Glen Hollis, candidates for the school board in the coming election, who spoke briefly. The remainder of the program was a film entitled "A Mile High and World Wide" dealing with Girl Scouting, it was presented by Mrs. Shirley Brown.

Refreshments were served by Dorothy and Wanda Sabol. The next regular meeting will be held April 22.

PHI BETA TAU CHAPTER MEETS LAST NIGHT

Members of Phi Beta Tau chapter of Beta Sigma Phi sorority met last night in the home of Mrs. Janet Boggs.

Plus were made for a "rush" party in May. The program for the evening entitled "We Stoop To Conquer" and "Using Color" was given by Miss Linda Todd and Miss Mary Alice Christian.

Refreshments were served by Misses Ruth Justice, Christian Todd, Ellen Winters, Marilyn Wondra, Diane Newell, Diane Sellers and Mesdames Mary Robinson, Sue Cook, Gloria Mundy and Nancy Robins.

Sorority Elects New Officers

Officers for the coming year were elected by Beta Theta Chapter of Beta Sigma Phi sorority at a meeting last night in the home of Mrs. Freeman Alister, 2216 Woodlawn avenue.

The staff includes Alice Sauter, president; Mrs. Arbelter, vice-president; Annabel Zang, recording secretary; Elia Eblin, corresponding secretary; and Ruth Odell, treasurer.

The members discussed the endowment and local scholarship funds and a committee was appointed to serve with other chapters of the sorority. Arrangements for the Founders' Day meeting.

Refreshments were served to eight members.

LEGION AUXILIARY 113 MAKES DONATIONS

Mrs. Cecilia Malotki and Mrs. Melba Wade were hostesses to the American Legion Auxiliary, Post 113, last night.

Mrs. Mildred Rees, president, was in charge and contributions were made to the Crusade for Freedom, Child Welfare and the Philippine Children's Fund. The group also purchased poppy stamps.

Games were played and refreshments were served. Prizes were awarded to Mrs. Ada Dishop, Mrs. Dorothy Best, Mrs. Lumeta Duphin, and Mrs. Rose Metro in games, and the special award went to Mrs. Dorothy Johnson.

VISIT PARENTS

Mr. and Mrs. Joseph Wickham, 2837 Dogwood drive, have been entertaining in their home the past week their son-in-law and daughter, Lt. and Mrs. Robert Bernier and their daughter, Robin, who have been at Lowry Air Force Base, Denver, Colo.

The visitors left today for a new assignment at Lockbourne Air Force Base, Columbus, O. While there they also were guests of Lt. Bernier's parents, Mr. and Mrs. Fred Bernier of Maplewood, Mo.

Amvets Auxiliary Honor Member

The Auxiliary of Amvets Post 51 met Monday evening at the Post headquarters with eight members present.

Mrs. Dorothy Melvory, president, conducted the meeting and plans were made to change the meeting dates to the second and fourth Wednesdays of each month.

Refreshments were served to the Auxiliary members, Mesdames Melvory, Kimie Richardson, Pauline Wickham, Mary Hamilton, Ann Tucker, Jewel Taylor, Bertha Macos and Nadine Harrison, and to the Amvets.

A cake was presented to Mrs. Harrison who was celebrating her wedding anniversary and a noble grand, president, was the "white elephant."

RESUMES STUDIES AT EASTERN ILL. U.

Daniel Painter, 422 Lincoln avenue, Venice, has resumed studies at Eastern Illinois University, Charleston, after spending the weekend at State College of Iowa in Cedar Falls. Saturday he conducted a leadership conference of Triota Region of Gamma Delta at the College Hill Lutheran Church. Fifty delegates represented colleges and universities in Illinois, Indiana and Iowa.

HEAR TALK BY MISSIONARY

Missionary Women of the First Church of God, 2904 Pershing avenue, met Monday with the Missionary Women of Washington Park for quilting and making of cancer bandages.

Lunch was enjoyed and a map study was given and answered by Rev. Nathan Smith, who is home on leave from missionary duty in Japan. Rev. Smith discussed many experiences during his field work.

PRACTICE CAMPING

Intermediate Girl Scout Troop 111 met over the weekend at Camp Lakota, near Glen Carbon with the leaders, Mrs. Bill Bollinger and Mrs. Leo Schank.

Activities include instructions on tent camping, cooking with reflector ovens and a hike.

The scouts divided into three patrols, with two patrols practicing raising a pup tent and an A-frame tent, the two types of tents to be used by the girls on a future camping trip.

Cathy Zenik, Carolyn Votaw, Paula Spahn, Phyllis Stone, Cheryl Shoemaker, Kathy Pierce, Sherry Mansfield, Elizabeth McDonald, Lois Kueker, Helen Lakota, Bollinger and Carol Atkinson.

Madison School Office, Play Area Bids Accepted

The Madison school board awarded bids Tuesday for grading and paving the playground at Lewis Baer grade school and for renovating the administration building offices.

Six firms submitted bids on five projects. The board accepted the low bid of C. E. Mahoney of Belleville for \$23,593 on the playground project.

Other bids were from Clarence H. Ax, St. Louis, \$25,334; General Contracting, Granite City, \$23,635; G. H. Sternberg, Granite City, \$26,333; Leo Wolf, Granite City, \$28,443; and M. Wolfe, Granite City, \$25,900. The low bid from General Contracting of \$12,585 for replacing windows at Louis Baer school was accepted. Other bids were: Clarence H. Ax, \$16,985; G. H. Sternberg, \$15,567; Wolf, \$15,286; and M. H. Wolfe, \$15,650.

Defer Painting
Alternate bids on painting walls and ceilings were turned down. They ranged from \$1295 submitted by Leo Wolf to \$2060 by General Contracting. The board decided the need is not so immediate as to justify the expenditure.

A low bid from General Contracting of \$7185, less \$2420 as the price of replacing the boiler, for the administration building work was accepted.

Without the boiler, the bid came to \$4765, and Supt. Wensel Brown advised the board not to replace the present boiler, which he said is adequate.

The \$4765 bid was for painting of the administrative offices, new lights, wallpaper and painting.

Other bids—including the boiler replacement—were from Clarence H. Ax, \$10,154; Sternberg, \$8631; Wolf, \$9343; and M. H. Wolfe, \$8250.

Bids were rejected on painting windows of the building. It was not deemed advisable to paint windows only.

The work will get underway during the summer.

Temporary Office Move
The superintendent said he will move his office to the Harris school during the time the renovations are in progress.

In another action, the school board appointed C. J. Schlusser & Co. of Alton to audit the school books for the 1962-63 fiscal year.

February educational salaries of \$31,172 and school lunch salaries of \$2,551 were approved as were bills of \$14,631 for educational expenses, \$5083 for school lunches and \$438 for buildings.

Permission was granted to six school secretaries to attend a meeting of secretaries in Champaign April 26-27.

Several board members indicated they will attend a Southwestern Division meeting of the Illinois Association of School Boards in Belleville Thursday, April 4.

Aug. 29-May 28 Calendar
Permission was granted to the Southern Baptist Church to use the Dunbar school gymnasium April 4 for a youth program, and an Aug. 29-May 28 tentative calendar for the next school year was adopted.

The board approved renewing a contract with Illinois Power Co.

The contract is renewed every five years. It establishes responsibilities and provides guarantees of service. It is necessary due to the dual heating system of gas and oil, it was reported.

The retirement of Floyd D. Miller, custodian at Madison Junior high school, effective March 6 was accepted. He is 65. Don Reeves, a custodian at the high school, was transferred to the junior high to replace him. Joseph Sprague was hired as a custodian at the high school, effective March 20.

\$186,844 Balance
Treasurer Ray Kozielek reported a cash balance of \$186,844 and receipt of \$123,851 in 1961 taxes from County Treasurer George Musso.

The tax money included \$40,387 from Nameok township and \$83,464 from Venice township. It was deposited in the various school funds.

A report of the county clerk was read, giving the assessed valuation of the district for 1962 as \$33,464,925, with a tax rate of \$2.054. It was noted that the assessed valuation is down \$207,067 from the previous year due to the loss by fire of a large storage building on the Owens-Ilinois plant property.

WHYERS CELEBRATE GOLDEN ANNIVERSARY

Mr. and Mrs. Joseph Whyers, 4917 Mayville road, celebrated their golden wedding anniversary Sunday afternoon at the Mitchell Presbyterian Church.

Bouquets of mums and greenery provided the setting, with Rev. John D'Almeida, pastor, officiating in a double ring ceremony as they renewed their vows.

Mr. and Mrs. Robert Weeks preceded the couple down the aisle and acted as attendants. They are a brother and sister-in-law of Mrs. Whyers.

Mrs. Floyd Mercer played the wedding march and accompanied Miss Ruth Oster, who sang the Lord's prayer.

A reception was held immediately following the ceremony in the recreation room, given by their five children and five grandchildren for approximately 200 relatives and friends.

Out-of-town guests were Mr. and Mrs. William Gehlert of Opelika, Ala., Milton Whyers and Joseph Reinehl of Kennesaw, Wis., and Mr. and Mrs. Herman Kohle and Mr. and Mrs. Henry Robinson of Alton.

Mr. and Mrs. Whyers were married in Edwardsville March 21, 1913, and resided there until moving to Mitchell in 1928.

BREAKFAST CLUB PLANS OUTING

The Hills Terrace Breakfast club met Tuesday morning at the home of Mrs. Wanda Belcher, 4924 Mueller drive, with Mrs. Florence Penrod as hostess.

Mrs. Belcher was presented a birthday gift from the club. Mrs. Alma Wolk and Mrs. Jert Schieb won prizes from games.

Refreshments were served to the prize winners and Mesdames Wanda Lee Ogden, Margaret Townzen, Thelma Moerlan and daughter, Diane, Carol Buford, Opal Davis and son, Billy, and Dale Penrod.

Plans were made to go on an outing April 4 at the Chain of Rocks cafe.

MEETS TO DISCUSS FORMING PARK DISTRICT

The Mitchell Park and Athletic club has made plans to sponsor a girls' softball team this spring. Any girl interested and aged nine through 17 may contact A. A. Broekman.

A special meeting has been called by the club for Friday evening at Smith's cafe, where the group will discuss forming a park district.

GIRL STRUCK BY AUTO

A nine-year-old Venice girl, Helen Dorate, sustained abrasions to the right knee and upper right leg at 5:05 p.m. Tuesday when she ran in front of the northbound auto of Roy Cornish, 3136 Rodger avenue, on Madison avenue at 12th street, Madison. She was taken by the motorist to St. Elizabeth Hospital and was released after emergency treatment.

Daughter of Mr. and Mrs. Harry Dorate, 634 Jefferson avenue, she ran from her mother in an attempt to cross Madison avenue eastward, police were told.

BOY, 4, INJURED BY AUTO

Gerald Patterson, four-year-old son of Mr. and Mrs. Gerald Patterson, 4701 Kirkpatrick Homes, was admitted to St. Elizabeth Hospital Monday for observation after he was injured by an auto. The boy was running after a ball and darted out from between two parked autos at the housing project, police said.

Roland C. Horton, 46, of 3301 Kirkpatrick Homes, told police he saw the boy and applied brakes but the boy ran into the rear of his auto. The boy was taken to the hospital when he complained of head and leg injuries.

The accident occurred about 5:30 p.m. in the 4700 block of Kirkpatrick Homes.

Linda Sorenson, 35, of 4801 Kirkpatrick Homes, was injured slightly about 3:30 p.m. Wednesday when she was knocked down by an auto driven by Walter A. Norton, 18, of 4120 Pontoon road. Norton told police the girl walked into his slow-moving auto as he was traveling east on Iowa street in the 3000 block. He said he offered to take the girl to the hospital but she refused.

TWO HURT IN CITY

Frank Butkovich, 38, of 520 State street, and William R. Harper, 42, of Springfield, were slightly injured about 3:30 p.m. Tuesday in a collision in the 2500 block of Missouri avenue.

Butkovich was a passenger in an auto driven by James Billewicz, of 2737 Iowa street. Billewicz was fined a total of \$15 plus costs Wednesday by Police Magistrate Gasparovic when he pleaded guilty to charges of following too closely and having no license. According to police, Harper said he was stopped for a school traffic light and his auto was struck in the rear by that of Billewicz.

William R. Privette, 21, of 1913 Fourth street, Madison, and Paul E. Reid, 31, of Collinsville, were injured about 10:30 p.m. Wednesday in an auto accident on 20th street in Quincy. Privette was charged with failing to yield right-of-way.

According to police, Privette's auto was traveling west on 20th street and collided with the rear of Reid's auto which was traveling south on Quincy, causing it to cross 20th street and travel to small frame building belonging to Granite City Steel Co.

Privette was treated at St. Elizabeth Hospital for contusions, abrasions to the head, shoulder and upper arm, left side and back. He returned to the hospital this morning complaining of difficulty in breathing and was admitted. Reid's injuries were minor, hospital spokesmen said.

County Museum Chairman
Named For Quad-Cities

Chairmen for committees in the Quad-Cities to help establish the proposed new Madison county historical museum were announced today.

Louis Reilly, 1671 Fourth street, executive vice-president of the First National Bank in Madison, will serve as chairman of a Madison committee, and Mrs. John Lee, 1230 Klein street, wife of Venice mayor Dr. Lee, will head the committee in that city.

Both are members of the executive board of the committee for a county museum. The appointment of Henry D. Karandjeff, Granite City banker, as chairman for Granite City, was announced previously.

Lester Salem, president of the Venice school board, a member of the museum advisory council, will serve on the Venice committee; and Mrs. Austin Lewis, member of the Madison County Historical Society board and of

the museum advisory council, will be active on the Madison committee.

Other Quad-Cityans working for establishment of the museum are C. E. Townsend, Press-Record editor, and Burton Bernard, attorney. Both are members of the museum advisory council.

Both Reilly and Mrs. Lee today expressed enthusiasm for the museum project and urged interested persons to work with them.

"To have a full scale historical museum only 20 minutes away showing the history of our own county would be of great value and benefit to adults and children alike in the Quad-Cities. The project is deserving of wide support," Reilly said.

The plan is to raise \$34,000 for purchase, repair, renovation and equipping the Weir House, a 127-year-old brick home on Edwardsville's main street.

Plane Crash Victim
Suffers Loss Of Toes

An unexpected complication has delayed the visit of Edwin R. Rich, 55, to his parents, Mr. and Mrs. Ernest S. Rich, 2638 Madison avenue, it was learned this week. He was seriously injured in an airplane crash on Bart Island, off the coast of northern Alaska Jan. 15.

Rich was the sole survivor of the crash in which five others were killed. He was hospitalized in Fairbanks with frostbite and broken bones.

According to his brother, Ernest (Pat) Rich, 3310 Wabash, Granite City oil distributor, he should arrive here early in April. In a letter to his parents, the injured man said he had undergone an operation for removal of some of his toes. His employer, Federal Electric Corp., disclosed he had lost the first joints of some toes and that dead tissue had been removed.

As soon as a skin graft on his foot is healed sufficiently he will be sent home on leave.

Rich is a sector supervisor for the firm which builds and maintains radar installations in the Far North.

Burglar Frightened Away
A burglar was frightened away Monday night when he attempted to break into the Lovely Lady beauty shop, 2601 Edwards street.

Jesse Fletcher, whose wife operates the shop, told police he was going downstairs and saw a burglar break through the window of the rear door, trying to unlock the door. The glass had been broken. The burglar fled to an auto parked in the alley and sped away, driving east on Ridgeville avenue.

Man Robbed Of \$80

A Granite City man, Graham McGovern, 580 Monday night was robbed of \$80 Monday night by two men who jumped into the car when stopped at the Madison Gas station on McCormick bridge avenue, south of Madison.

McGovern told county authorities the robbers drove to East St. Louis where they "rolled" him and then drove the auto to Eagle Park where they crashed it into a garage in the 100 block of 11th street, damaging the building.

The men then jumped out and fled in opposite directions.

Station Wagon Stolen
William Helderbrand of Glen Carbon told police his station wagon was stolen Tuesday by a man at 7:30 a.m. and 7 p.m. disappeared from Niedringhaus avenue and Benton street.

McGovern collected on Troy reported to police that some time after 7 p.m. on Monday four staines steel hulchips were stolen from her auto as it was parked on the National food store parking lot in Granite City.

Independent Survey On
Underpass Discussed

Possibility of an independent survey to determine whether Broadway can be classed as a federal highway business bypass was discussed at Springfield Tuesday by Gov. Otto Kerner, state highway and commerce.

John E. Lee, Street Engineer, Edward J. Junco, City Engineer, Jack Tolliver, City Clerk, William Eldersoll, County Engineer, and Walter Simmons, county Democratic chairman.

A bypass designation would qualify a proposed traffic underpass north of the Broadway railroad crossing for federal funds for federal government.

has answered the state's application by asking for a traffic survey and the Illinois highway division has too many commitments to undertake the survey this year.

Venice Police Locate
Gun In Assault Case

Venice police Tuesday morning located a .32-caliber semi-automatic revolver allegedly used by Earl Bonds, St. Louis, in firing three shots at Paul Altier, St. Louis, during burglary of the Food Products Co. store, March 21. It was turned over to St. Louis police.

The gun was last weekend, and he waived extradition after Altier identified him. Bonds has been charged with second-degree burglary and assault with intent to kill with malice.

Altier lives above the firm and had surprised Bonds during the burglary. St. Louis officers have charged. The above were wild.

HOME NOTES

By MRS. ELAINE P. WENDLER,
Madison County Home Adviser,
Home Economics Extension,
University of Illinois

The Homemakers Extension clubs throughout the county are presently taking a concentrated course in Home Furnishings. They are working with design and color. Remember their meetings are open to all of you and if you would like to attend you are welcome!

French Provincial furnishings remain in public favor. Fashions come and go; times change and with them, the styles. But good design retains its universal appeal and periodically returns to charm new generations. French Provincial furnishings have this unchanging appeal year after year.

Just why they do is hard to pinpoint. Some say it's because of their inherent beauty and grace. Others point to their livability. Still others value their ability to mix well with other styles.

According to a recent report, French Provincial is not a style. Gracefully curved legs are no trademark. The trademark is the extravagant look of the Louis XIV or the simple, stately style of Louis XV. time. They are all part of the whole.

By definition, French Provincial is a label for anything made in the provinces of France. Originally some of the crude furnishings of peasant farmers. Others were regional interpretations of the court styles.

These interpretations varied greatly. In the southern provinces, the styles resembled the Italian and Spanish designs of that period. In the northern provinces, a heavier look from German designs prevailed.

Set the scene for colonial furnishing. . . Furnishing a home with Early American furniture draws upon the same principles that make an effective room with any other type of furniture. And, however you proceed, it is wise to plan the room, not just let it happen.

While the terms Early American and Colonial are used interchangeably, they connote two widely different moods. Early American suggests the informal, rustic crafts of the pioneers. The more formal Colonial designs were fashioned after the European styles.

Whether you prefer the homesy or the dignified, it's a good idea to avoid too much design repetition. Through the years, certain materials and styles have proved effective when used with Early American furnishings.

For example, pewter, copper, and brass can add to the feeling of warmth congeniality within the Early American room. Simple, gray prints on upholstered pieces and window dressings are compatible, as are solid colors and simple textures. Accessories of a formal nature (silk and crystal) would stand out of place in this atmosphere.

On the other hand, Colonial furnishings invite the use of more elegant fabrics and accessories: silver, pressed glass, brocade damasks, even ruffled curtains if you like. Oriental, floral or solid colored carpets will complement Colonial furnishings.

Neither mood dictates that you avoid blending in personal treasures. An occasional piece of furniture that is not of the period adds interest. As long as the piece is in balance and harmony with the total scene, it's right.

Vandals Damage Fence

2222 Cleveland Blvd., told police today that after 7 o'clock last night vandals pulled up eight steel fence posts along her alley where she was having a fence installed.

Japanese Language Is Explained To Rotarians
Intricacies of the Japanese language were discussed at yesterday's Madison Rotary luncheon by Russell H. Brown, Press-Record news staff member, who gave examples of Japanese letters and symbols.

While the basic syllable units are simple, there are several alternate systems in simultaneous use and many thousands of rule variations, he explained. An added complicating factor is that many words have their own symbols, unrelated to combinations of sounds or letters, the club was told. William W. Winter was program chairman.

Rev. Russell Oden was a guest of the club.

Son Is Stillborn To Former Mitchell Pair

A son was stillborn to Mr. and Mrs. Eugene Christian of Cahokia, former Mitchell residents, about 8:30 p.m. yesterday at Centerville Township Hospital, Centerville.

Surviving, in addition to the parents, are two brothers, Kenneth and Christopher; two sis-

ters, Nancee and Ruth Ann; and the grandparents, Mr. and Mrs. Walter Sparks of Mitchell and Mr. and Mrs. John Bettag of East Alton.

Private funeral services were held this afternoon at a Madison funeral home, with interment in Sunset Hill Cemetery. An obituary notice appears elsewhere in this issue.

Hospital Women

Hear Talk On Record Keeping

The March meeting of St. Elizabeth Hospital Auxiliary was held Monday evening at the hospital.

The program was given by Sister Mary Adelaide, who is in charge of the record room. The group was given an explanation of the procedure used there and taken on a tour of that section of the hospital. Sister M. Adelaide explained the use of micro-films in preserving the records of each case for the past 25 years.

The Auxiliary voted to purchase a new viewer for the films and also to establish an educational fund for nurses training. Mrs. Helen Bergfield, president, was in charge and announcement was made of the Ninth District meeting of the American Hospital Association to be held April 23 in Vandalia. The Auxiliary is district president and will attend the meeting, together with others from the area who will charter a bus for the purpose.

A nominating committee to select new officers also was appointed. Serving will be Mrs. Elizabeth Kelly, chairman, Mrs. Mabel Guston, Miss Marie Zimmer, Miss Helen Heller and Mrs. Catherine Michel. Refreshments were served to approximately 30 members of the Auxiliary.

Mrs. Otto Grosse Presides At UPW Board Meeting

A meeting of the executive committee of the United Presbyterian Women of First United Presbyterian Church was held Tuesday morning in the church parlors with Mrs. Otto Grosse in charge.

After the opening prayer by Mrs. Grosse, the Year Book of Prayer was given by Mrs. W. G. Cooley and the various department chairmen reported. The treasurer's report was presented by Mrs. E. L. Beeler, and announcement was made of the annual all-church guest luncheon in May when Mrs. F. B. Barclay, program chairman, will be in charge of arrangements. The monthly Association meeting will take place April 2 at 7:30 p.m. and a musical program will be given in charge of Mrs. John McCabe Moore, choir director. Circle Three will serve as hostess group.

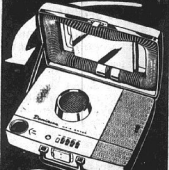

A spiritual retreat is planned for 9:30 a.m. April 30 in the church sanctuary with the spiritual life and stewardship secretary, Mrs. John Lemon, in charge. The ladies will serve a Brotherhood dinner in April, the date to be announced.

Two new officers were elected to fill unexpired terms. They were Mrs. Viola Scott, condolence chairman; and Mrs. Walter Pearson, Ecumenical Missions and relations secretary. A report from the fellowship department was given by Mrs. Eugene Coe and the United Council of Church Women by Mrs. J. H. Gantner. Present at the meeting, beside those mentioned, were Mrs. Henry George, Mrs. Robert Ruppel, Mrs. P. Geppert and Mrs. George Holscher.

Who's Fooling Whom??

SIXTH WARD COMMENT

by Kenneth S. HARTBARGER
Candidate for Alderman
Sixth Ward

TRUTH MUST BE TOLD ABOUT
POLITICAL MACHINES

On January 3 of this year I published a statement of my intent to run for public office. Since then I have sent out many messages to the voters of this ward. I have told the truth. I have made certain pledges.

Here I re-affirm those pledges.

Now come the political cliques, the machine-backed candidates, and others who would have us believe black is white. Their game is to split the vote widely between several slow-running candidates and "husky" edge out Hartbarger with one of their politically-backed candidates.

This must not happen!

We voters of the Sixth Ward pride ourselves in being of at least average intelligence. None of us are so naive, I believe, as to think that God's great gift to us as the best education would be any of these clique-affiliated candidates.

It must be asked, then, who's trying to fool whom?

Samuel W. Shockelford is Republican Precinct Committeeman in Township Precinct No. 27. He is City Alderman from the Sixth Ward. His city hall backers seek re-election for him to the aldermanic post at his advanced age. His record on the City Council speaks for itself!

It naturally follows that we must take a strong candidate against city hall if we ever expect to have decent representation in this ward. Common intelligence and our sense of right and wrong command us, I believe, to vote against the present setup. Our vote on April 2 for Kenneth S. Hartbarger is sure to put a monkey-wrench in the works of the political machines.

But, now there comes yet another political group which lends its questionable "support" to Jones (Red) Warthen. Included in this group are all the "big shot" politicians and many, many "payrollers." The author of the malicious sheet of lies currently being circulated against me, in fact, their political-clique candidate "Red" Warthen, was himself a

Leaves Board payroll for several years. This group of corrupt politicians, which has come forward with "Red" Warthen as their choice for alderman in the 6th Ward is the worst kind of poison ever to be put on the unsuspecting voter. I ask you not to be misled by their tawdry lies.

I have been accused of everything short of mayhem by my opponents when in fact I have never so much as received a speeding ticket since coming to Granite City. They have accused me of being a "pinball magnate" when in fact I have never had even the remotest association with any such business.

They have accused me of being part of the city hall crowd when in fact I am city hall's bitterest opponent. Oh, how they must be afraid I'll win! Finally, it appears that at long last the People's voice will be heard on April 2!

Why would these dis-honest politicians try to defame my character by printing completely false and utterly ridiculous statements about me?

Such tactics, I believe, will not further the chances of election for their hand-picked candidate Jones (Red) Warthen. His association with these Levee Board payrollers and other awful men must necessarily harm the voters of this ward away from him—far, as so often is said, "you are known by the company you keep."

As this campaign comes to a close, I wish from the bottom of my heart to thank my many faithful friends and supporters for their help. From these of you to whom I am not personally known, I solicit your vote next Tuesday. I will be grateful, and I will endeavor to make you proud of your choice.

It is now my hope that the electorate of this ward will turn out in great numbers next Tuesday to give the politicians their greatest defeat.

An intelligently considered vote by each of us on April 2 against the political machines and their candidates will be a great public service to this community.

DID YOU MISS IT?

Ques.: MISS WHAT?

Ans.: The Annual Red Cross drive in March.

Ques.: Why should I miss someone asking for money?

Ans.: Because all over the country they always used to do it every March, and because we need the Red Cross, and because it takes money to provide services.

Ques.: Well, what happened? Everybody else has been around. Why not the Red Cross too?

Ans.: Because they now participate in the United Fund, and have since 1958. They know that the dollars handed out at the door won't do the job that needs to be done.

Ques.: Why is the United Way better?

Ans.: More people can be helped because more people give--and can give more generously through payroll deduction where they work--and can rely on the United Fund Committee which studies all agency budgets and knows where the money goes.

CANDIDATE CITES TAX
ISSUE; USED OWN FUNDS

To the Editor:
As this campaign comes to a close, I want to extend my thanks to the many who have met and who allowed me a minute or two of their time. I received the nicest treatment a candidate could hope to receive in my house-to-house canvass of the Third Ward.

To those I did not get to talk to, I regret that time does not permit me to go back and see you. This was an experience I shall never forget, both in the fact that I discussed important problems with many of you and realizing that the people of the Third Ward expect the same service for their tax dollar as any other ward.

The people have felt the squeeze of high taxes too long. They want the city of Granite to grow and prosper, but they want to be able to afford to live here.

I extend to my very good friends who have helped in this campaign a very warm thanks, and to my own family who gave of their time and energy. I have conducted, to the best of my knowledge, a clean campaign—one of which I am proud to have been a part. I have financed my own campaign, and am obligated to no one.

WARFIELD SEWER WORK
HELPED CURB DISEASE

To the Editor:

I write this letter because I believe one of the most responsible, thoughtful, respected, fair and square officials, William Warfield, is being overlooked for carrying out his duties of office.

The charge is opening sewer lines in private property. The sewage system is about the most contaminating part of any city, and in Granite City it is the street department's duty to see that sewage flow is kept open.

As taxpayers, we are entitled to certain assistance when there is stoppage of drain lines, private or otherwise. Choked sewer lines for even a short time can cause a disastrous spread of disease.

Therefore, I must commend Mr. Warfield for lending his duties even though it placed him on the sacrificial altar of political attack. More respected officials should be so brave.

This publicity about William Warfield appearing in the news and in the Fourth Ward is carried on by a small group who cannot see the overall improvements being made by the street department.

Mr. Warfield's success was proven in the large confidence vote he received in the last election. His popularity was again proven two years ago when his controversy with the street department brought out a huge citizenry with a loud cry that insisted on no interference in the street department or its head, William Warfield.

I am certain the thousands of voters who placed William Warfield in office four years ago are not fooled by the present attack on the street department. I am confident he will retain his post supporters and will no doubt gain new ones in the coming election.

This letter is written only to answer some unnecessary mudslinging. I am only interested in a good city government.

Food Liquor Store, a candidate for alderman of the Sixth Ward, was on the "do not patronize" list of this council for many months. He was removed from this list last November due to the improper procedure used when he was placed there.

Laborers Local 337 put him on their unfair list now, and the Painters, Carpenters and Cement finishers have had similar grievances with him. Do you think that a man who would use such labor union tactics and refuse to give the laboring people fair representation?

Please keep in mind that if you were support of your union, you must elect a union-minded man who will have labor's interest at heart.

Election Can Put City Back On

Road To Responsible Government

While decisions facing Granite City voters April 2 deal principally with individual aldermanic races, in reality the issue goes much deeper. The basic question that will be decided is whether the city will start the long road back to responsibility and public confidence, or whether it will be dragged still farther downhill by the dominant council group.

Some of the aldermen have excellent voting records. Of those with poor records, perhaps some were merely trying to "go along" in the hope of being thrown a few crumbs in the form of improvements for their wards. But the "yes men" deserve no more support than those calling the tune. Deficit spending and discredit inflicted on the city have gotten to the point where every ward is suffering a net loss.

Lack of confidence in "city hall" has mushroomed to alarming proportions. So little trust seems justified that it is an open question what the council may do election eve, when the timing could hide its actions from those voting the next day.

"It's time for a change" never had more meaning than at this time in Granite City. There is too much at stake, in terms of future city projects and policies, not to have a change. Re-election of those currently in control, or election of those whom "city hall" is supporting, could lead to a record so sorry that the city's pocketbook and reputation might take many years to recover.

Public Aid Must Have Some

Form Of Cost Control

Food for thought in the current public aid debate is provided by the finding that the average Illinois monthly grant of \$198 exceeds the national average for such assistance by \$75, or about 39 percent.

It will be up to the General Assembly to determine the best way of establishing some form of cost control, whether it be through a ceiling on aid to each family, or through some other means. But there is an obvious need for cost control close scrutiny but remedial steps. As an example, how can quadrupling of aid to dependent children in the past decade be justified, when the population has increased by only 15 percent?

A birthday, once a year, gets to be often enough.

No Change In Local Illinois House

District Boundary For Next Decade

The tentative agreement reached on downstate Illinois House reapportionment will have little direct effect on Madison county because it does not disturb the present 53rd district, consisting of the towns of Elmwood, Elmwood Park and Elmwood Park.

The plan, however, represents a mixed blessing for the best interests of the city are not being considered. It is very important that men who do their own thinking and express their opinions be elected to serve the people of Granite City.

Two men who are running for re-election and who have in the past proven themselves to have these qualities are fighting the power and money of the political machine. They are Alderman Don Partney of the Fourth Ward and Alderman Sam Whitman of the Second Ward.

Your vote and support are needed to keep these men in office. They will only continue to fight for the best interests of the citizens of Granite City.

FASHION SHOW TO AID
CHARITABLE PROJECTS

To the Editor:

The members of the Granite City Junior Service Club wish to express their sincere thanks and appreciation for your cooperation and support in their latest project, "Spring Song of Fashion."

The fashion revue was a complete success, and with the proceeds received, the Junior Service Club will be able to further its many charity projects in the coming year. One of the club's projects is a scholarship donation to the high school scholarship fund.

As you know, the club is another definite attempt to eliminate from the city council those members who are not in the city's best interests.

GRANITE CITY

ing because it provides only one district for a county seating the quarter-million mark in population. The law provides that each district is to be, "as nearly as is practicable," composed of 170,867 persons, based on the 1960 census.

If Madison county continues to grow faster than the state itself, it will have to be split in Illinois House representation, as is the case in Cook county only at the present. At least another decade will pass before this becomes a possibility, based on the agreement just reached by present legislators.

Quad-Cityans Have Direct Stake

In Belleville Fluoridation Vote

When they go to the polls next Tuesday, we hope Belleville residents are as aware of the benefits of water fluoridation as Granite Cityans were when they overwhelmingly approved fluoridation two years ago. We hope the Belleville city council is even better informed than the Granite City council, which is still helping to block the program.

The East St. Louis and Interurban Water Co. is ready and willing to fluoridate the water supply as soon as the necessary approving ordinances are received. But until Belleville, Swansea and Granite City act, the method of eliminating 60% of future tooth decay is stymied.

Unfortunately, many of the arguments long since refuted—that it is "artificial," that it corrodes plumbing, that it is medication and that it poisons personal life—are being given wide attention in Belleville. On the other hand, strong stances favoring approval have been taken by the Belleville Dental Society, Chamber of Commerce and most of the FTA units.

The long and arduous endeavor to cloud one of the most favorable points—that there would be no water rate increase—by saying the next rate boost would be sought sooner as a result of the minute cost of fluoridation.

Perhaps even more damaging, Belleville residents are being told they are in the majority—that most of the communities have not yet acted favorably. While the company for years has taken the position that only those municipalities with franchises would need to give the "green light," the lack of action by bulk customers, townships and the St. Clair county board is being cited.

Unanimity is essential, the effort by opponents to require a 19 or 20 percent approval, rather than 12, represents merely another way of creating roadblocks.

We hope the false issues are ignored and that there is a resounding "Yes" vote, because the decision in Belleville will have a direct effect on Quad-Cityans' prospects for an early start of fluoridation.

What has become of the idea that our winters are getting progressively warmer?

Realistic Financial Approach

Bodes Well For New Village

As we commented before the village of Pontoon Beach was created, we wished only the best for the residents regardless of their decision, but we had reservations about whether the property assessment base was adequate to finance municipal services.

We still regard the half-million-dollar valuation as insufficient for a full-scale program, but we view the prospects of the new village with more confidence. The city could never have acquired the village area without Pontoon residents' approval, regardless of whether or not it was incorporated or whether or not it was encircled.

Incorporation, which may prove of value to Pontoon Beach citizens in other ways, was not needed as a shield against annexation. It is encouraging that more realistic issues were considered in the latest election.

Your Governor Reports

by OTTO KERNER

ALL CITIZENS SHOULD

CALL NEXT WEEK

Next Tuesday, many citizens in Illinois will go to the polls to ballot for city, village and township officials.

A quick look at newspapers or history books will put an end to those who think that "one vote doesn't count."

At the moment that I am writing this, a man in Minnesota is moving closer to the office of governor on the strength of 91 votes. These few votes in a state of some 3,000,000 people represent the margin of victory.

Narrow Presidential Victories. Two of our most famous presidents, Thomas Jefferson and John Quincy Adams, each were elected to the highest office in the land by a single vote in the Electoral College.

Pres. Rutherford B. Hayes was elected by a single vote. His election was in jeopardy, the matter was referred to an electoral commission. Again, he was elected by a single vote.

The man who cast the deciding vote for Hayes in the commission was a Congressman from Indiana—an attorney who won election to Congress by one vote. The story goes, the Congressman always credited his victory to a client who was

his victory to a client who was persuaded to vote for him at the election but insisted that he be taken to the polls to vote for the election of his client.

Preserved Government. One vote spared Pres. Andrew Johnson from impeachment. This vote, in the minds of many historians, saved constitutional government in our country.

There are countless stories to relate about the power of a vote. In one book, I read that in 1924, a Missouri Congressman won election by a handful of votes while 53,000 qualified electors in his district failed to go to the polls.

The same thing happened in a Pennsylvania Congressional district in that election. In that district, 40,000 voters stayed home on election day.

Debts To Nation's Heroes. Your right to vote has been won by generations of Americans who believed in liberty and who were willing to lay down their lives that we might enjoy the fruits of freedom. To them we owe our eternal gratitude.

On election day, don't let America down. Vote for the candidates and issues of your choice. Your vote is the foundation of our democracy.

Pantomimist Troupe To Perform At SIU

Southwestern Illinois University will feature a troupe of young pantomimists from the State University of Iowa Saturday at its East St. Louis auditorium, 9th and Ohio streets. The group whose members perform anonymously, grew out of a course stressing stage movement and creative imagination, taught at the Iowa university, and interest in propagating this type of theatrical form resulted in public performances.

Although influenced by the French mime, Marcel Marceau, as well as by British and Polish pantomimists, this troupe of SIU college students considers its form of mime typically American. Skits to be performed Saturday night include "The Railroad Pump Car," "The Laundry," "The Late, Late Show," "It's All in the Hands," and "Physical Fitness."

Sponsored by the Southern Illinois University Fine Arts Division and open to the public without charge, the performance will begin at 8 p.m.

Five Candidates Enliven Sixth Ward Race

Samuel W. Shackelford, 2914 Palmer avenue, declined to return a form to the Press-Record. "I don't care to have anything in the paper," he remarked. Shackelford also refused to give his age, reportedly in the 70's. His age has become a campaign issue. "One of my opponents says I'm 75, but I have nothing to say about it," he added.

He is completing his first term as Sixth Ward alderman and retired from a state highway department job after eight years. He formerly was police chief in the village of Nameoki.

William McCreedy, 41, of 3132 Davis avenue, is a candidate for alderman from the Sixth Ward. A chemical engineer at Dow Metal Products he is a graduate of Allegheny, Pa., high school and Lehigh University.

His civic activities include the Frohman and Coolidge PTAs, Junior Achievement and Tri-Cities Chamber of Commerce. He is president of the Swimming Pool, and has been active in the United Fund and Little League baseball.

"I believe it is the responsibility of a citizen to participate in his government so that our democratic system will succeed," McCreedy says. "I would like to renew the faith of the people in holders of political office by acting wisely and honestly in the best interests of all the people."

James "Red" Worthen, 37, of 3224 Aubrey avenue, is a candidate for alderman from the Sixth Ward. A Democratic precinct committeeman, he is a member of the Young Democrats, the Granite City Civic League, and the Knights of Columbus.

An operating engineer for Shell Oil Co., Worthen is a member of Local 525 of the operating engineers' union. He is a high school graduate, and attended Shurtleff College, Alton, for one semester. He has run unsuccessfully for the offices of Sheriff and alderman.

"I have been actively interested in the city hall political scene for the past six years," Worthen maintains, "and feel I have a good background on civic issues reaching the alderman body."

"I have been in constant attendance at council meetings, and am well aware of the procedure on bringing in ordinances, resolutions, etc. My background also consists of a thorough knowledge of the pollution abatement program, and many other necessary but controversial issues."

Frank Vesel, 46, of 2330 Woodlawn avenue, is completing his first term as Eighth Ward alderman. He is a division superintendent and instructor for management and supervisory personnel for Swift & Co., East St. Louis.

Vesel heads the controversial Special Pollution Emergency Study committee of the council and has substituted for Mayor Davis at numerous civic functions. He also is deputy city commissioner for the city.

Vesel attended local schools and completed a course in management and supervisory instruction at Chicago Institute. He is active in church work in St. Elizabeth's parish and in United Fund campaigns at Swift & Co.

"My only desire to remain in office is to continue to do everything possible for improving our ward and the city. The many projects I have been fortunate to have approved—I would like to see them accomplished while in office."

KENNETH S. HARTBARGER

Kenneth S. Hartbarger, 35, of 2802 Pershing avenue, is a self-employed businessman, and is planning to develop a recreation park along U. S. Bypass 66-40 near Mitchell with Melvin Pasche of Granite City, a pinball machine distributor.

He formerly was plant superintendent at St. Louis Corp., formerly an inspector at the A. O. Smith Corp., and was a classroom instructor at the government automotive school, Conley, Ga. His wife formerly had a license to operate the Neighborhood Liquor store, and he took part in its operation.

Hartbarger, an ex-convict no longer on parole, pleaded guilty in 1954 in the U. S. District Court in Cincinnati, O., to three counts of interstate transportation of falsely made checks in the amount of \$81 each. The sentence was two years on each count of a three-count indictment with sentences on two counts suspended.

He has lived here 10 years and attended schools in Rockbridge county, Va. He entered Army service at 17 and was honorably discharged Oct. 8, the Sixth Ward.

from Granite City schools and attended Southern Illinois University and Washington University.

Thompson says he has "a growing conviction that the Eighth Ward pays approximately 30% of the residential tax bill in Granite City, but is not receiving its fair share of municipal improvements in relation to its needs."

Further, home owners' property values must be protected to keep the Eighth Ward a fine place to live."

A former Granite City park district commissioner, he has been active in the Boy Scouts, YMCA, Salvation Army, Optimist Club, Protestant Welfare and United Fund work.

"Having been active in many civic activities for the past 30 years," Roseman says, "I now would like to represent the people of the Eighth Ward on the city council, working for a good business administration, economy and improvements to keep pace with the growth of our city."

7th Ward Race Features Five Candidates

R. E. Robertson, 2607 Benton street, is a candidate for Seventh Ward alderman. A former three-term mayor, he also served three terms previously on the city council. He is presently an administrative assistant in the Lueders and Robertson law firm office.

Robertson lists as his reasons for seeking public office a desire "to assist in bringing order to and re-establishing integrity in city government; to solve pollution abatement and Seventh Ward problems by the use of knowledge gained through past experience in public service and the devotion of time to city affairs; and to work for a reduction of taxes."

G. H. Sternberg, contracting firm head, is a candidate for alderman from the Seventh Ward. A resident of 2622 Cleveland blvd., Sternberg, 44, is a member of the board of directors of the Granite City Trust and Savings Bank and the board of trustees of Eureka College. He is president of the Cahokia Mount Council, Boy Scouts of America; past president, Granite City Optimist Club; past vice-president of Optimist International; a member and past director of the Tri-Cities Chamber of Commerce and a past member of the YMCA board of directors.

As his reasons for seeking public office, Sternberg says "high taxes, ward favoritism and questionable use of public funds—these and other continuing shenanigans force me to join in the fight to restore good government to Granite City."

Alex Ruskick, 40, of 2711 Idaho avenue, is a candidate for alderman from the Seventh Ward. He is an employee of the Granite City Steel Co.

Educated in Quad-Cities schools, Ruskick is attending Southern Illinois University in industrial management courses in quality control, a part of his job.

"I believe it is possible to maintain a budget, to dismiss ineffectual spending—by understanding proposals that pertain to city organization," Ruskick says. "I will do my best to bring my ward up to par. For example, we have several water holes which need less attention."

Charles "Boss" Halbrook, 33, of 2433 Iowa street, is a pit foreman in the open hearth division of Granite City Steel Co.

C. ROSS HALBROOK

James Kostoff, 51, of 2438 Madison avenue, is a millwright at Granite City Steel Co. and is a Madison county special deputy sheriff. He was a machinist and formerly was employed as assistant manager of the Washington theater.

Kostoff said he is running "to help improve our affairs of the alderman labor and man. Granite City and help to heal agent," and "to help balance the scales of justice with democratic way of life which we cherish so much."

He wants "to help restore democracy to govern all the people's faith in our city gov-people."

- David Johnston, who lives in East St. Louis, was paid \$69,929 as city engineer in 1962 under contract allowing him substantially higher fees than those established by Illinois Society of Professional Engineers.
- Some aldermen voted against fluoridation despite public approval by referendum; would have reduced tooth cavities among children up to 60%.
- This would have eliminated sewer backups, flooding, etc., as well as river pollution.
- This fee, plus other "unknown" costs, is asked by out-of-town engineering firm for river pollution study only. Would not be necessary if local firm, familiar with Granite City sewers, does the work.
- This money would be diverted from use on existing public streets to build roadway to a proposed private shopping center, details of which have never been disclosed or filed up.
- Contract with St. Louis firm was "negotiated" with minor saving despite two-thirds reduction in manpower.
- Three regular meetings are held monthly at \$25 each; no reduction in pay for absenteeism.
- For May 1961-February 1962 period, there were 66 regular and six special meetings.
- No control by city over use of this additional allowance, nor is an expense itemization required. Available to all aldermen but some do not take it.

Sen. Simon Explains Two-County Plan To MECCA

A special dinner meeting of the Metro East Chambers of Commerce Association was held Monday night at the Rose Bowl to hear State Senator Paul Simon of Troy explain Senate Bill 507 of which he is chief sponsor.

The bill provides for the establishment of a Southwestern Illinois planning commission for Madison and St. Clair counties. The Senate passed the bill on March 19.

Twenty-five persons attended the meeting. They were representatives of all the communities participating in MECCA—Tri-Cities, Alton, Belleville, East St. Louis, Wood River and Edwardsville.

The bill provides for an appropriation of \$37,500 for a two-year period to supplement the \$39,995 federal grant made to the State Board of Economic Development to create a planning agency for the two counties last month.

Within the scope of the commission would be such areas as water supply and distribution systems; storm water and sewage disposal; integration of air, water, rail and highway transportation; orderly arrangement of land for residential, commercial, industrial and public use; local municipal and governmental services; and improved standards of urban aesthetics and civic design.

Membership Outlined

The bill would create a planning commission composed of eight commissioners appointed by the governor, two from among the mayors and village board presidents, the chairman of each planning and zoning commission in the county, both county superintendents of schools, the president of SWIU or his designated representative, an appointee of the State Board of Economic Development, the highway engineer, the two county superintendents of highways and a representative of each of the county boards of supervisors.

The governor's appointees would include four from each county and no more than two from a county could belong to the same political party.

The commission would elect its own officers and hire an executive director to manage its affairs.

No Duplication

The proposed commission would not be a duplication of existing municipal or county planning bodies. It would, however, augment the efforts of such bodies and assist when asked to do so.

City Buys Five Autos From Mathews Co.

The low bid of \$5616 for five new Chevrolet heavy-duty eight-cylinder sedans for police patrol autos was accepted Monday night by Granite City council members. The proposal was submitted by Mathews Chevrolet Co.

Alderman Frank Vest, chairman of the Police committee, said the firm's bid met the specifications set forth by the city. Other proposals were \$6451 by Brewer Motor Co., \$5662 by Edledge Motor Co. and \$7124 by Farmington Motor Co.

The city is trading four 1962 Chevrolets and a 1957 Ford for the five new, 1963 autos.

SIXTH WARD VOTERS:

This is to announce my personal endorsement of Kenneth S. Harbarger for Alderman in the Sixth Ward. I am personally acquainted with Mr. Harbarger — have known him for a number of years — and I can wholeheartedly recommend him to you as the top choice for the job.

If we are ever to beat the machine, now is the time to do it by voting for Ken Harbarger on April 2.

Be sure your next home has this proof of quality wiring

your present home can earn it too

"The wiring in that home you're buying may be a 'pig in a poke.' That's because electrical wiring is largely unseen. How do you know it's adequate for your needs today and tomorrow? Or that you won't need major costly overhauling to eliminate blown fuses?"

If the home displays the 100 Amp Reddy Living Award certificate, put your mind at ease. For here is proof of quality wiring you can see. It's awarded only to homes with (a) a 3-wire 100 amp service entrance, (b) circuits planned for today's—and tomorrow's—needs, and (c) 2 or more major electrical appliances.

In today's age of electrical living, these are the electric standards every homeowner wants.

Your present home as it stands may qualify for the 100 Amp Reddy Living Award. If some re-wiring is necessary to qualify, you'll be well repaid . . . in higher resale value . . . in more convenient living you'll appreciate every day.

Ask your local Illinois Power wiring representative how your home can qualify for the proof of quality wiring.

Insist upon it when you buy.

Lecturer To Visit Scientist Church

Ways to bring divine intelligence into human affairs will be presented in a Christian Science lecture to be given March 31 at 3:30 p.m. in First Church of Christ, Scientist, 2560 Delmar avenue, by John D. Fickett, of Chicago.

His subject will be "Christian Science: The Life-Preserving Power of True Intelligence." A native of Ohio, Mr. Fickett was educated in Georgia and North Dakota. Formerly president of his own investment banking firm, he liquidated his business affairs in 1942 to enter full-time practice of Christian Science. He was a Christian Science wartime worker during world war II.

Prior to that he had served in active field service on the Illinois Flood Relief Committee of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Since becoming a member of The Christian Science Board of Lecturers, he has traveled throughout the United States, South America and Canada.

Concert Association To Begin New Campaign

A campaign for new members will open on April 15, Mrs. David Friedman, membership chairwoman of the Tri-Cities Community Concert Association, said today.

Current members have received renewal notices through the mail, she said, and are being urged to return them early. Membership fees, upon which the association depends as a means of financing its concert series, are \$7 for adults and \$3.50 for students.

The number of paid memberships is a major factor in determining the number of attractions the association can offer during any one season, according to association president

Raymond Henley. The third and final concert of the 1963-64 season, next Monday evening, will present baritone Bernard Izzo in an 8 p.m. performance at the Granite City high school auditorium.

A highlight of the 1963-64 season, the association's 11th, will be a return performance by the Tucson Boys' Chorus.

The subscription plan enables Tri-Cities Community Concert Association members to attend each of the association's attractions plus those of associations in Alton and Belleville, with whom Tri-City has a reciprocal agreement, all for the one membership fee.

Nominating Committee Named By Optimists

The Twilight Optimist club is preparing for its annual election of officers. President Pete Metcalf appointed a nominating committee Monday night to recommend a slate.

Paul Seebold is chairman of the committee. Other members are Theodore Overbeck, Harold Matson and John Jachino. The committee will report at the second meeting in April and the election will be held at the following meeting. New officers will take over July 1.

Twelve members attended the meeting Monday at the Den. Money was approved for 24 children to take part in a bowling program. Plans also were made for this year's Khoury league baseball activity.

It was announced that the club will attend the annual Mainway Thursday service at the First Presbyterian church.

3 Silver Beavers To Be Awarded At Scout Dinner

An estimated 450 persons, including 200 Scout-Cub Scouts, are expected to attend the 13th annual Cahokia Mound Boy Scout Council appreciation dinner at 6:30 p.m. Saturday in the Trinity Lutheran school, Edwardsville.

The banquet, which will be presided over by Gene H. Sternberg, Granite City contractor, council president, will be highlighted by presentation of three Silver Beaver awards, highest honor that the council can bestow. Identity of the recipients will not be announced until the presentation.

Dr. Leo M. Coleman and Pete Carich of Granite City will be honored for completion of wood-bag training, an intensive course for instructors in outdoor scouting skills. The wood-bag program is patterned after the training originated by Lord Baden Powell, founder of scouting.

"Oscar" awards also will be given out during the evening. Principal speaker will be Dr. Walter Mehl, pastor of the First Presbyterian Church, Edwardsville. He is former dean of academic education at New York University and previously was a well-known mile runner.

Dr. Smith To Speak At Missionary Convention

Dr. Oswald J. Smith, recognized as a leading missionary-statesman of today and founder-missionary pastor of Peoples Church, Toronto, Can., is to be featured on a three-day radio missionary convention to be conducted in this area Thursday, Friday and Saturday, April 4-6 over KXen, 1010 kc, St. Louis. The Rev. Wesley Steelberg will emcee the three-hour convention each day.

Dr. Wilbur Smith, Dr. Billy Graham, Dr. Frank Laubach and Dr. Cameron Townsend will also be heard by way of tape recording during the radio event which is to feature vocalists George Beverly Shea, member of Billy Graham's team; Red Harper, the Blackwood Brothers quartet and others.

Church To Air Six Christianity Programs

Six special radio programs on the basic elements of Christianity will be broadcast in "The Bible Speaks to You" series beginning March 31. The program is a Christian Science production, and are broadcast over a local radio station at 9:15 a.m.

"The Meaning of Prayer" is the title of the first program. It will be followed by "The Meaning of The Cross," "The Meaning of the Resurrection," "The Meaning of Atonement," "Atonement and the Lonely Crowd" and "The Meaning of Baptism."

REPORT FROM MOTOR TREND EXPERTS ON THE '63 RAMBLERS:

"prove their mettle...reliability, performance in actual testing"

RAMBLER 6 or V8 "Car of the Year"

MOTOR TREND Magazine's auto experts never handle the "Car of the Year" with kid gloves. They slammed Ramblers over back-country roads and reported, "rough roads can be stomped with confidence." They studied Rambler's Advanced Unit Construction—found it "so strong it'll take punishment longer." Finally, they summed up Rambler '63 by saying: "It's an even better value than before." Grand Jurors 'Appalled' By Conditions At County Jail

A report of unsatisfactory conditions at the county jail was submitted to the circuit court Monday by the grand jury. In the report, the jury said it was "appalled" at the condition of the physical plant.

It was recommended that qualified persons in the field of penal security be appointed or engaged to investigate possible complete replacement of the present facilities.

The older sections of the jail are more than 100 years old and even the newer portions are over 60 years old. The jury termed the buildings "generally

beyond the point of economical renovation."

No Prisoner Separation
It was noted that the physical facilities do not permit separation of prisoners. There is but one cell sufficiently separated from the others to house female prisoners and all must be housed there whether they are mere runaways, prostitutes or felons.

Likewise, all male prisoners must be placed together, regardless of whether they are awaiting trial or are convicted felons. Youthful first offenders are mixed with hardened crim-

inals. No place exists where dangerous or troublesome prisoners can be kept in maximum security.

Lack of security also was noted by the grand jury. Doors can be forced by a strong person and masonry around most of the exterior windows is so deteriorated an entire window could be pushed out without much effort, it was pointed out.

It was recommended that a back entrance be provided since it would not be possible for prisoners to be released and get out of the building in case of fire in the front section.

Lack of Ventilation
Lack of ventilation makes upper levels of the jail relatively unusable in warm weather and throughout the year poor ventilation makes the lockup warm and musty.

A sanitation problem arises due to the kitchen not being in the main jail building. Food must be carried in to the prisoners and eaten in the cells.

The lack of medical facilities within the jail and of an adequate exercise area also were noted.

In recommending that plans be made for new jail facilities, the grand jury listed basic considerations to be incorporated. Included were recommendations that provision be made to segregate prisoners by age, sex and type of crime; that juveniles be provided separate facilities; and that there be exercise and rehabilitation facilities.

The grand jurors reported that the efforts of Sheriff Barney Fraundorf were exemplary in his efforts to establish an improved records section. It was also noted that housekeeping was reasonably good and that efforts had been made to clean up, repair and increase the utilization of the existing facilities.

Garbage Collection City's Biggest Expense

Again the largest item on the city bill list, approved Monday night by Granite City council members, was the contested \$12,281 payment to United Disposal Corp. for trash and garbage collections in March.

The bill list totaled \$14,973, and a half-month payroll of \$30,113 also was approved.

Included on the bill list was the purchase of 375 tons of slag from the St. Louis Slag Products Co. at a cost of \$762; and maintenance, parts and fuel for city equipment costing \$475.

The city bought from the Building Officials Conference of America 20 copies of the 1960-62 codes at a cost of \$75; and paid R. Dren Electrical Co. \$77 for February maintenance of traffic signals. In addition, Ben Onk was paid \$15 for charging the battery and storage for a portable signal light used at 26th street and Madison avenue.

Expense allowances on the bill list included \$50 each for auto expenses for Police Chief Raymond Willard and Assistant Fire Chief Curtis Donley.

Aldermanic expense allowances of \$30 were approved for Steve Basarich, Rufus LeMaster, Paul Rutledge, Walter Norn, Samuel Shackelford, Ford Johnson, Charles Meyer, Casmer Skubish, Frank Vesce and Samuel Whitner.

Through the combination policy, the city was able to reduce the liability insurance premium from \$18,000, which would have been the total premium for a year if the city had continued with its other policy.

Drop 11 From Coverage
However, Johnson pointed out that with a major portion of the city employees—71 police and firemen—to be dropped from the workmen's compensation policy, the figures might be changed. City Attorney George E. Mulder explained the police and firemen feel they have better coverage under the present pension programs. A legal opinion has been obtained from the city attorney and another lawyer that police and firemen, as officers of the city, could not be covered by such a policy, the alderman added.

Under the pension program an injured policeman or fireman could receive 65% compensation, while the insurance would provide 50%, Johnson said.

Johnson called for the council to rescind its current intercity policy with Mulder, pending the negotiations. However, when it was pointed out the city would be without liability insurance, he agreed to withdraw the motion.

In other action, the council approved excavations by the East St. Louis & Interurban Water Co. The excavations were slated for Tuesday on Niedringhaus and Grand avenues at Mercer Funeral Home to change the water connection.

Also approved was a request from Country Life & Mutual Companies of Bloomington to block off the 2800 block of Grand avenue for two hours on April 30 to stage traffic safety demonstrations for high school students. The demonstrations are to be from 10:30 to 11:30 a.m. and from 1:30 to 2:30 p.m.

GC Police Union To Seek Changes In New Contract

Granite City Council members were advised Monday night by the police department union, Local 1347 of the American Federation of State, County and Municipal Employees, of its intention to call for changes in the present contract.

A letter of notification, signed by the union secretary, Richard D. Bell, was referred to the Police and the Finance committees. Details of the changes sought were not disclosed.

Alderman Ford Johnson, chairman of the Fire and Water committee, called for a new proposal to be sought for sidewalk liability insurance. The police and firemen do not care to be covered by Workmen's Compensation Insurance.

The city on Feb. 18 awarded a contract to the Herman R. Mueller Agency for a combination policy to include a premium of \$17,656 a year, with \$12,287 for workmen's compensation and \$3,369 for the liability insurance.

Through the combination policy, the city was able to reduce the liability insurance premium from \$18,000, which would have been the total premium for a year if the city had continued with its other policy.

Drop 11 From Coverage
However, Johnson pointed out that with a major portion of the city employees—71 police and firemen—to be dropped from the workmen's compensation policy, the figures might be changed. Mrs. Jessie Hunter Was Mother Of L. H. Hunter
An obituary notice in Monday's issue incorrectly listed Mrs. Jessie Hunter, 2820 Ralph street, as the wife of Lerton H. Hunter. She was his mother.

Funeral services were conducted yesterday for Mrs. Hunter, 72, who died Sunday. She is also survived by a sister, Mrs. Jennie Zinner, Granite City, and a granddaughter, Toni Hunter.

Workshop On School Public Relations Set

School public relations, a workshop course with special appeal to public school administrators and their staffs, will be offered for the first time at Southern Illinois University's East St. Louis Center this spring.

To be taught by Charles A. Lee, visiting professor in educational philosophy and administration, it will meet Wednesdays from 5:30 p.m. to 8:15 p.m., beginning April 3.

Lee, former state superintendent of public schools of Missouri, has a background of teaching in both rural and city schools, and was superintendent of Butler, Mo., schools from 1918 to 1923. He joined the Washington University staff in 1935 and was professor of education there until 1961 when he became a visiting professor at SIU.

Spring quarter registration is March 27 at both the East St. Louis and Alton Centers.

Kiwanians Set For Annual Boat Races

The Granite City Kiwanis club has started work in preparation for the third annual Kiwanis-Boat Club racing event which will take place June 18 at the confluence of the Mississippi and Missouri rivers near the Hartford canal.

Assignments were made to members Monday at the weekly dinner meeting of the Kiwanians.

An announcement was made of the invitational judo tournament to take place at the YMCA Saturday. The Kiwanis club is co-sponsoring the children's division along with other service clubs.

About six Kiwanians plan to attend an interclub meeting to-night at Glen Carbon.
